Influenza and Consumption.

It is, indeed, a melancholy truth, that thousands fall victims to consumption every year from no other cause than neglected colds; yet we find hundreds, nay thousands, who treat such complaints with the greatest indifference, and let them run on for weeks, and even months without thinking of the danger. At first, you have what you consider a slight cough or cold; you allow business, pleasure or carelessness to prevent you from giving it any attention; it then settles upon your breast, you become hoarse, have pains in the side or chest, expectorate large quantities of matter, perhaps mixed with blood; a difficulty of breathing ensues, and then you find your own foolish neglect has brought on this complaint. If, then, you value your life or health, be warned in time, and don't trifle with your cold, or trust to any quack nostrum to cure you; but immediately procure a bottle or two of that famous remedy, DR. WISTAR'S BALSAM OF WILD CHERRY, which is well known to be the most speedy cure ever known, as thousands will testify, whose lives have been saved by it. For influenza it is the very best medicine in the world.

DR. JAMES HOPE'S

VEGETABLE PURIFYING HEALTH PILLS

AND

ORIENTAL BALSAM.

THIS valuable Family Medicine of long-tried efficacy, for correcting all disorders of the

Stomach, Liver and Bowels.

The usual symptoms of which are: Costiveness, Flatulency, Spasms, Loss of Appetite, Sick Headache, Giddiness, Sense of Fulness after eating, Dimness of the Eyes, Drowsiness, and Pains in the Stomach, Shoulder and Bowels, Indigestion, producing a torpid state of the Liver, and a consequent incivility of the Bowels, causing a disorganization of every function of the frame, will, in this most excellent combination of Medicinal Agents, by a little perseverance, be effectually removed.

A very few doses will convince the afflicted of their salutary effects. The stomach will soon regain its strength; a healthy action of the Liver, Bowels, and Kidneys will speedily take place; and instead of listlessness, heat, pain, and jaundiced appearance, strength, activity and renewed health will be the quick result of taking these Medicines, according to the instructions which accompany them.

As a pleasant, safe, and easy aperient, they unite the recommendation of a mild action, with the most successful effect, and require no restraint of diet or confinement during their use; and for Elderly People they will be found to be the most comfortable medicine offered to the public.

Females at a certain age should never be without them—they are warranted to contain no Calomel, or any other deleterious ingredient.
