

BRADBURY PIANOS

LEAD THE WORLD.

Received SEVEN PREMIUMS and GOLD MEDALS in Four Weeks.

Over 16,000 in Use.

Dr. C. H. Fowler, Editor of *The Christian Advocate*, says: "In preference to any Piano made, we bought and use the Bradbury in my family. We all vote solid that it has no equal in workmanship, sweet tone, and every thing desired. May you always win!"

The peculiar charm of this Piano is its adaptation to the human voice as an accompaniment, owing to its sympathetic, mellow, yet rich and powerful singing tones.

From personal acquaintance with this firm, we can endorse them as worthy of the fullest confidence of the public. We are using the Bradbury Pianos in our families, and they give entire satisfaction.

SPECIAL OFFER FOR 1880.

The next volume of **CHURCH WORK** begins in March, 1880, and as we are particularly desirous of bringing our circulation up to 10,000, we are now making special efforts in its behalf.

At the earnest solicitations of many well-wishers we have decided to omit "Business Notices," "Acknowledgements" and everything else which might in any way hinder the paper being localized, and to offer every clergyman who sends us FIFTY names, with the money, before the expiration of three months from date, to include **COVERS FREE OF CHARGE.**

The clergy will be able, if they so please, for a small sum in addition, to get printed at their local printing office, (and a few advertisements on the back of cover will pay for it,) any local matter which they may wish to bring to the notice of their people.

Sample of covers may be had on application to this office

All the Bishops, and, as far as we know, all the clergy of Canada and Newfoundland, endorse **CHURCH WORK**; and by many its advent is looked for with interest and pleasure.

It has done, so the clergy say, and is doing a good work for the Church and Christianity.

Every parish in the land can now have its own **Parish Magazine.**

And, as the price is only 30 CENTS A YEAR, every family, even the poorest, is in a position to subscribe for it.

If the clergy will only give **CHURCH WORK** a trial they will be surprised at the good results attending its introduction.

Let their be no delay, let some one in each parish get to work at once canvassing, and send along your orders,

Domestic Hints.

PUMPKIN PIE.—One quart of strained Pumpkin, a teaspoonful of salt, two teaspoonfuls of ginger, add a quart of Custard made with Wilsons Custard Powder which can be obtained from any respectable grocer for five cents per package with directions thereon.

How to ROAST A FOWL.—When properly dressed, wash it thoroughly and dry it with a cloth. Soak some stale bread in cold water until soft and wash it fine. To one cup of bread crumbs add one egg, one teaspoonful of mashed potatoes, butter size of an egg, savory, sage, pepper and salt. Stuff the fowl with this. If you have pieces of cold boiled meat, mince it and add to the stuffing. When the fowl is laid in the dripping pan, cut some very thin slices of salt pork and lay over it. Pepper and salt the fowl very slightly. Put three-fourths of a pint of water in the pan and allow twenty-five minutes for each pound of fowl. Taste frequently. Boil the gizzard, heart and liver separately. When done add the dripping from the fowl, season and thicken for gravy. Have the fowl well done. There is nothing more annoying to a gentleman than to be asked to carve a tough fowl, especially if the carving knife is dull.

STUFFING FOR ROAST TURKEYS, CHICKENS, DUCKS AND GESE.—The commonest stuffing is this: Two onions, five ozs. of soaked and squeezed bread, eight sage leaves, an oz. of butter, pepper, salt, one egg, a little piece of pork minced. Mince the onions and fry them to the other ingredients. Some chopped celery is always a good addition.

How to FRICASSE CHICKEN.—Take your chickens and divide them; boil them until they are nearly tender, in salt water; take them out of the water and drain them. Put a piece of butter in a pan; let it get hot, and then lay in your pieces of chicken and fry them to a nice brown. Take them up and put a very little flour in the pan and let it brown. Pour three tablespoonfuls of water in the pan and let it boil up, and then serve.

YOUNG CHICKENS AND OKRA.—Prepare and cut up two young chickens; put a tablespoonful of butter into a skillet and fry until brown. Then put into a kettle with a quart of finely chopped okra, four or five tomatoes sliced thin and two minced onions; just cover with boiling water and boil, or rather simmer, slowly for three hours. Season with butter, salt and pepper, and if liked, thicken with a little flour.

BRATTLEBORO FRICASSE.—Take two chickens, cut them up neatly, and lay them in a skillet with two slices of thin cut ham, two small onions and a few blades of mace, seasoning with pepper and salt. Add a little water and put on a quick fire. When about half done add a pint of cream and a lump of butter the size of a walnut, rolled in flour. Keep constantly stirring until done.

GIBLET SOUP.—Scald and clean three or four sets of goose or duck giblets; stew them with a pound of gray beef, and the bone of a knuckle of veal, and ox-tail or some shanks of mutton; three onions, sweet herbs, a teaspoonful of whole white pepper and a tablespoon of salt. Put five pints of water and simmer till the giblets are tender; skim it and thicken; boil a few minutes and serve with the giblets. Sherry or Madeira, two glasses, and cayenne pepper may be added.

CHOCOLATE BLANC-MANGE.—Dissolve one ounce of gelatine in as small a quantity of warm water as will cover it. When melted, put on the fire to dissolve four ounces of Baker's chocolate. Do not let it scorch, and when liquid add one quart of new milk and three-quarters of a pound of sugar. Boil all together five minutes; stir in the gelatine; boil five minutes longer, stirring constantly. Take off the fire; flavor with vanilla, and pour into moulds. This dessert can be made several days before it is wanted, as it will keep.

CUSTARD RICE BALLS.—One large cup of rice boiled in quart of water with a half teaspoonful of salt until quite soft, fill a few teacups, when nearly cold turn into a dish. Take a pint of Custard made with Wilsons Custard Powder and pour over.

At Konigsberg, according to a German paper, there are 800 maid-servants out of situation, having been dismissed by their masters for economy.

The Result of the Exhibition RECENTLY HELD IN HALIFAX proves unquestionably the GREAT VALUE of

The North British Cattle Food Co.'s NUTRITIOUS CONDIMENT
In the Feeding of Live Stock.

All the cattle which took the leading prizes, as well as the special prizes presented by the agent of the above Company, were really SUPERB AND HANDSOME LOOKING ANIMALS, and received the economies of all who saw them. As a consequence of the demand for the Condiment has increased a hundred fold. Wherever used according to directions, this valuable article, never fails to produce the most satisfactory results. See pamphlets.

THE NUTRITIOUS CONDIMENT.

The Reporter says:—This article has become an institution. Its great success and unlimited demand are victorious and have proved its efficiency; cattle to whom it is given are always in first-class condition, and a large per centage is saved in the cost of feeding by the use of this condiment, and they are less liable to be attacked by disease or plague; but, if attacked, it has been proved that they are most likely to escape fatal results; in fact they enjoy an almost complete immunity from the ravages of any disease. Geo. Fraser, Esq., the managing agent for Nova Scotia, generously offered special prizes for cattle using this condiment, and the condition of the various animals entered for the following prizes was the best proof of the excellence and value of this celebrated and useful condiment, and furnished handsome testimony of its advantages. These facts are of interest to stock-raisers, and others owning cattle. The following is the list of Mr. Fraser's special prizes for the nutritious condiment:—Best and fattest ox, \$15. C. Baker, Amherst; best milch cow, \$15. 50, Colonel Starratt, Paradise, Annapolis Co.; fattest cow, \$12.50, Edwin Chase, Port Williams, Kings; fattest hog, \$10, Dr. Lawson, Lucyfield, Bedford; fattest sheep, \$10, P. Allison, Newport.

TO THE CLERGY.

An Englishman, of the University of Oxford, married, and in Deacon's orders, now in sole charge of a mission in the United States, wishes to be transferred to a Diocese in Canada, and will be happy to assist a Rector of a Parish, or take charge of a missionary field, Halifax or neighbourhood preferred. He is musical, and can conduct a choral service, and, having also had many years' experience in tuition, could organize and maintain a Church School. Sound Church views: good testimonials. Address, "Deacon," office of "Church Guardian," Halifax, N.
