BEGS to return his best thanks to the Public of Montreal, and the surrounding country, for the liberal manner in which he has been patronized for the last 12 years, and now solicits a continuance of the same. He wishes to inform his customers that he has made roots from which these Pills are made is a Sudorific, extensive improvements in his Establishment to meet which opens the pores of the skin, and assists Nature the wants of his numerous customers; and, as his in throwing out the finer parts of the corruption withplace is fitted up by Steam, on the best American Plan, he hopes to be able to attend to his engagements with punctuality. He will dye all kinds of Silks, Satins, Velvets, Grapes, Woollens, &c. ; as also, Scouring all kinds of Silk and Woollen Shawls, Moreen Window Curtains, Bed Hangings, Silks, &c., Dyed and watered. thus encouraged, they draw large amounts of impu-Gentlemen's Clothes Cleaned and Renovated in the rity from the blood, which is then thrown out bounbest style. All kinds of Stains, such as Tar' Paint, tifully by the urinary or water passage, and which Oil, Grease, Iron Mould, Wine Stains, &c., carefully extracted.

sant to us that we have it in our power to put a medicine in your reach, namely Morse's Indian Root Pill's manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific. in. The second is a plant which is an Expectorant. that opens and unclogs the passage to the lungs, and thus, in a soothing manuer, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys rity from the blood, which is then thrown out bouncould not have been discharged in any other way .--The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood; the coarser particles of impurity which can-not pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels. From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for the best Tea, Coffee, Sugar, Wines, Brandy, &c., and | they cannot remain when the body becomes so pure and clear. The reason why people are so distressed when sick and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out ; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to bloom. ing health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames, have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised in witnessing their charming effects. Not only do Gloria in Excelsis; Perfection of God; Love of they give immediate case and strength, and take away all sickness, pain and anguish but they at once Hail Mary; Meditation on Hell; Sacraments of Holy go to work at the foundation of the disease, which is the block of the Holy Trinity; A Complete Collecthe blood. Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight, and the flush of youth and heauty will again return, and the prospect of a long and happy life will cherish and brighten your days. MOUNT HOPE INSTITUTE FOR YOUNG LADIES,

UNDER THE DIRECTION OF

LADIES OF THE SACRED HEART,

LONDON, C. W.

THIS Institution, situated in a healthy and agrees. ble location, and favored by the patronage of His Lordship the Bishop of London, will be opened on the first Monday of September, 1857.

In its plan of Literary and Scientific Studies, it will combine every advantage that can be derived from an intelligent and conscientious instruction in the various branches of learning becoming their sex. Facility will be offered for the acquisition of those Ornamental Arts and Sciences, which are considered requisite in a finished education; while pro-priety of Deportment, Personal Neatness, and the principles of Morality will form subjects of particular assiduity. The Health of the Pupils will also be an object of poculiar vigilance, and in case of sickness, they will be treated with maternal solicitude.

The knowledge of Religion and of its duties will receive that attention which its importance demands, as the primary end of all true Education, and hence will form the basis of every class and department. Differences of religious tenets will not be an obstacle to the admission of Pupils, provided they be willing to conform to the general Regulations of the Institute.
