OFIUM EATING IN THE STATES .- One of the curious facts revealed by the publication of customhoue tables is, that there was imported into this country last year 300,000 pounds of opium. Of this amount last year socious potatus of opitum. Of this amount it is estimated from reliable data, that not more than it is estimated from redical purposes. The habit of eating opium is known to be spreading rapidly of earing opinion is done spreading rapidly among lawyers, doctors, elergymen, and linerary men, and enormous quantities are used by the manufacture of those poisonous liquids which are dealt out in drinks in the saloons and groceries that infest every city and village in the country.

ARTRMUS WARD MAKES A SPREOH.—Artemus Ward ARTHMUS WARD MARED A SPEECH.—Artemus Ward received an invitation to make a speech on the "Krysis," at Baldinsville, "Injianny." Of course he accepted the invitation, and reported the speech himself. He says :-

"But we've got the Afrikan, or ruther he's got us, k now what air we going to do about it? He's a offul noosance. Praps he isn't to blame for it. Praps he was created fur sum wise purpuss, like the measles and new Englan' rum, but it's miry bard to measure and any rate he's no good here, & as I staited see it. At any rate he's no good here, & as I staited to Mistur What Is It, it's a pity he codent go or somewheres quietly by hisself, whar he coold waar red weswhere quietly by mosely, and the coold want red weskits and speckled nec ties & gratterfy his ambishun in varis interisten wase, without havin a eternal fuss kickt up about him.

Praps I'm bearin down to hard upon Cuffy .--Com to think on it, I am. He wooden't such a infernal noosance if white people wood let him alone. He mite, indeed be interestin. And now I think of it, why can't the white people let him alone? What's the good of continuerly stiring him up wi a ten foot pole? He isn't the sweetest kind of Perfoomery when in a natral stait.

refler Sitterzens, the Union's in danger. The black devil disunion is starin' us squarely in the 2nd Mexiko of ourselves? Shall we sell our birth-rite for a mess of potash? Shall one brother put the knife to the throat of another brother? Shall we mix our whisky with each others blud? Shall the Star Spangled Banner be cut up into dishcloths ?-Standin' here in this here Skoolhouse, upon my native shore, so to speek, I answer-Nary!

Oh you fellers who air raisin this row & who in the fust place startid it, I'm 'shamed on you. The Showman blushes for you, from his boots to the topmost har upon his wenerable hed.

"I say to the South, don't sesesh! I say to the galviant people of that sunny land, jus look up a few hundred of them tarin' & roarin' fellers of yourn is some strong boxes, and send 'em over to Mexiko. And we people up North here will consine an ckal our addle braned rip snorters to the same lokallerty, & thar let 'em fite it out among theirselves. No consekents, not the slitest, which licks. Why shoodent the people who got up this fite do the litin'? Git these cruary critters out of the way, & the sensible people of the North & South can fix matters up very easy. And when 'tis fixt' let both seceshuas resolve to mind their own busi-

I know not what the Supervizers of Baldinsville may conclude to do, but for I, I shall stand by the Stars & Stripes. Under no circumstances whatsomever will I sesesh. Let every Stait in Union sesesh, & let Palmettar flags flore thicker nor shirts on Squire Baxter's close line, still I will stick to the good old fing. The country may go to the devil, but I won't. And next summer when I start out on my campane with my Show, whatever I pitch my little tent, you shall see flating prowdly from the centre pole thereof the Amerikan flag, with nary a star wiped out, mary a stripe less, but the same old fing that has allers fotid tharl & the price of admishun will be the same that it allars was-15 cents, children half-price. " Feller Sitterzeus, I'm dun. Accordingly I squatted.

"I say, Pat, what rre you about?—sweeping out the room?" "No," answered Pat, "I am sweeping out the dirt and leaving the room."

A gentleman dining at a hotel where servants were few and far between, despatched a lad among them for a cut of beef. After a long time the lad returned, and placing it before the hungry gentleman was asked—"Are you the lad who took my plate for this beef?" "Yes sir," "Bless me," resumed the hungry wit, "how you have grown!"
