Mercantile Summary.

A WINDING-UP order has been applied for and granted in the matter of the Eastern Townships' Chrome, Iron and Milling Co., and a meeting of shareholders and creditors is called for the 14th inst. The company was organized in the spring of 1898, with an authorized capital of \$50,000, and its field of operations was at Coleraine, Que., with head office in Montreal.

TWELVE years is reckoned a long time in the business life of a mercantile house in the new west, says The Province. W. A. McIntosh & Co., have been that long in the cattle and meat trade at Vancouver. But now the W. A. McIntosh Co., Ltd., have disposed of their city interests and of their Calgary cattle ranch, and the new proprietor, P. Burns, took possession on Saturday morning, July 1st. Mr. Peter McNaughton, who has been associated with the old firm since 1887, will stay with Mr. Burns as manager of his newly acquired business.

In his failure, J. B. McNulty, general merchant of L'Ange Gardien, Que., exemplifies the truth of the old saw regarding the rolling stone. J. B. originally began business in Henryville, and removed to L'Ange Gardien in 1892, but only remained a few years, selling out and going into business at Farnham. His stay in the latter town was brief, and he eventually returned to his present address, buying back his old business. He has hitherto managed to pay his way, but has evidently gathered no moss. His liabilities are placed at \$6,000, and he now makes a voluntary assignment.

THREE shoe failures are reported in province of Quebec this week, all retail concerns of recent establishment. I. H. Marin, of St. Hyacinthe, was formerly clerking, and in the spring of last year began business with the assistance of his father, who now makes a demand of assignment upon him.—Joseph Pelletier was formerly a foreman in a Quebec boot and shoe factory, and began shop-keeping for himself in Levis, a year ago last May. He has now assigned.—Trepanier & Co., Quebec, have had even a shorter career, having commenced a few months ago, but their assignment is now reported to Paradis & Jobin, with liabilities of \$1,200.
