418.3 This volume covers working papers (CD/CW/WP) tabled in the Ad Hoc Committee on Chemical Weapons (AHCCW) during its 1989 sessions from February 1989 to August 1989. Also included are working papers from the inter-sessional meetings of the AHCCW from December 1988 to January 1989 and from November 1989 to January 1990. The volume is compiled to facilitate discussions and research on the issue of Chemical Weapons.

419 Not all numbered working papers from the AHCCW have been reproduced here. Some papers were also tabled in plenary and given a CD/number. These can be found in the appropriate annual volumes for plenary official documents (WP). Other papers were of such transitory importance (relating mainly to procedural matters) that they have not been reproduced.

Note that the index is a chronological listing while the documents themselves are arranged in numerical order by CD/CW/WP. number.
