Dr. A. Grant Fleming,
9 Coursol Street,
Montreal.

Dear Dr. Fleming:-

Let me acknowledge receipt of your letter of the 4th of October with the report on health conditions as existing in Montreal at the present time, and also copy of the minutes of the meeting held in my office on Thursday, September 30th.

By the way, have you officially notified the Federation that the League will not make application for absorption. I think we should do it formally.

Yours faithfully,

Chairman.
