By DAVID LYNDSEY.

"It may be necessary for me to say something respecting the singular coincidence of my having chosen the same subject as Lord Byron for two of my Dramas. I entreat permission to assert, and credit when I do assert, that it is entirely accidental; that my Dramas were written long before Lord Byron's were announced—before I could have any idea that his brilliant pen was engaged upon the Drama at all. The inferiority of the execution of mine may perhaps lead me to regret that I have selected the same subjects; otherwise I can never lament any coincidence with the admired author of *Manfred* and *Childe Harold*."

MEMOIRS

OF A

LIFE CHIEFLY PAST IN PENNSYLVANIA,
WITHIN THE LAST SIXTY YEARS.

"This Work is perhaps the best Personal Narrative that has yet appeared relative to the history of that great conflict which terminated in establishing the independence of the United States. The candour, with respect to public occurrences, which it displays; the views of manners in Pennsylvania, prior to the memorable era of 1776; and the incidental sketches of historical characters with which it is enriched, cannot fail to render this volume a valuable addition to the state of general knowledge, and will probably obtain for the Author no mean place among those who have added permanent lustre to the English Language."
