Westinghouse team displaced fine complication and team play, while the Toront tonians, who had never played together before, sadly licked that asset. Scott, for Queen City, was working like a Trojan, while W. Wilson, for the visitors, displayed some fine form. Just at half-time Worrell headed a corner in and put Queen City in the lead. Half-time: queen City in the lead to the half up the field and in five minutes Thombs netted the tying goal. For the next twenty minutes McCracken had a busy session and saved repeatedly. Several men were hurt, but all resumed playing after short delays. Howison beat Ogle soon afterwards and scored the second for Hamilton. With a goal to the good Hamilton eased up a little and the Torontonians nearly scored iwice, but Coombs was on the job, Wand forced his way in and beat McCracken with three minutes to go. Final score—Hamilton 2, Queen City 1.

Annual House Warming Of Queen City Y. C.

The Queen City Yacht Club held their annual house-warming on Saturday night at the clubhouse, where about a hundred members and their friends spent a very enjoyable evening. The entertainment opened with a sociable game of cards, which was won by Mr. T. A. E. World; second, Mr. G. Grant, and consolation prize, Mr. O. W. Hutchison. The Bow-Wöw Minstrels gave a very creditable amateur performance, including in their program several local hits that tickled the fancies of the watermen. The commodore and officers present were much pleased with the success of the evening, and trust that it inaugurates the most successful season of their club.
