OFFICE AND FACTORY:

766 and 768 Main Street

WINNIPEG, MAN.

A New Warehouse.

The Macpherson Fruit company, of Winnipeg, let the contract this week for the erection of a large new block on the site of their present premises. In March they will move to the Hen-derson block, on Princess street, and their premises on Main street, as soon as vacated, will be pulled down or removed and a handsome new brick and moved and a handsome new order and atome block will be reared in its place. The new building will have three foods busides the basement, and will be the full size of the lot, 25 feet wide by over 90 feet long. The building will be first-class in every respect and will be fitted up in the most modern ctyle. in the way of labor saving conveniences. When finished the building will add another to the many fine wholesale warehouses now in the city. The building will be completed exrly in the summer.

An international conference will be

An international conference will be held in Europe to consider the sugar bountles. This much is decided upon. The Canadian Pacific raliway has purchased H inze's railway and Trail smelter. This gives the Canadian Pacific access to Rossland.

A majority of the engineers have voted in favor of accepting the terms of the employers. This will likely conclude the great strike in Great
