

There is also a Polo Club, with headquarters at St. Lambert.

Golf has become a favorite pastime, and Montreal is, indeed, well favored, and devotees of the ancient game have no lack of courses, there being no less than six of them in the city, or else within convenient access. All of them are so situated that the scenic advantages alone would appeal to anyone with a love of the beautiful in nature.

Tourists are invited to call at the Information Bureau of the Montreal Business Men's League. The advantages offered to strangers are free of charge and correspondence receives attention.

The address may be used by tourists for letters and telegrams. Side trips and accommodation arranged for; information about the city and all Canadian places of interest furnished on application.
