credit" the department; on the con-trary, they desired to purify and

It was true the Conservative govern ment had alienated 30,000,000 acres, but in return, we had the C. P. R. and other great lines of transportation. What had this government to show for the two million acres that it had alien-

In Search of Graft. It was the duty of the opposition be on the lookout for graft. No hom-official would resist investigation, be too swift in resenting criticism. Taking up the irrevocable grazin leases, Mr. Foster pointed out tha many of them covered fertile lands, er tirely fit for settlement. The leases, in nearly every cas tu ed over the property to ranch sy dicates. He believed that graft would be found in the coal leases. They were rapidly scilling in the hands of a few men. They were going to the speculator and

not to the settler. Mr. Turiff (East Assinibola) the adjournment of the debate.

HANES WAS IN COBALT.

Other Prospectors Who Identify Him as Being Present Several Days

In the Cobalt case yesterday Freder. ick J. McGregor was the first material When McGregor first made the acquaintance of Hanes he was in the company of Mr. Grover, prospect- Typhoid Fever ing for minerals in Cobalt in October and remaining there until December

Clinton's Biggest Ad,

Ottawa less jubilant than on former returns. He says three propositions have been made as to joint action in building the Yonge-street bridge by up at the reception committee on Tue city and railways, and this of them the city and railways ,and two of them the city might fairly accept. If the city was moderate in its ideas it could get the brdge and have it started this fall. His worship is going to tell the council

he Normandie?" all about it soon That's the way everyone speaks of Clinton who has been there. The first thought of the town is the hotel, that has the reputation of being the best The mayor's idea for a greater and better Toronto, at a cost of five millions, is regarded as a sort of a pipe dream around the hall, but, neverthe-less, it is productive of some good sug-gestions, one of which is that he city should rase a lonely million to build workingmen's houses to be allot-ted by some fair method and to be paid for in 10 or 15 years by monthly instal-inents, sufficient to cover the cost of doing the work.

Boom in Building

There is a good advertisevent for Toronto in the comparative statement of building permits from Jan. 31 to May 31, 1905-1906, which is as follows:

1-	Approximate value of buildings, Jan. 1 to	Q 2.
to	May 31\$3,191,118	\$4,845,32
st	Approximate value of	
or	buildings for month of May 1.104,154	1,502,16
18	No. of building per-	
at	mits issued Jan.1 to May 31 914	1,27
n-	No. of buildings for / which permits were	
n-	issued for month of May 311	46
nd ly	No. of new buildings erected from Jan. 1	1 59
- M	1 079	

Hatched, Matched and Despatched. There are some encouraging figures in the returns of the city clerk for the month of May. Births are booming, marriages have tumbled off a bit and

519

so have deaths. These are the figures

THE TORONTO WORLD

Esta blished

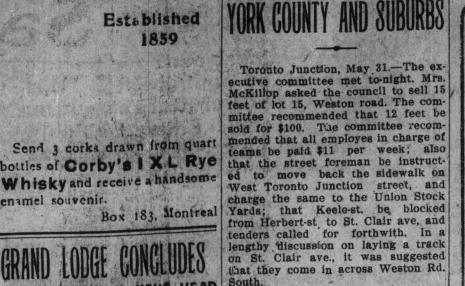

"Clinton?" said the traveler, "yo mean that town of 3000 in Western On tario, where they have a hotel better than London, with its 40.000 people-

Dr. Sproule Re-Elected Grand Master and Other Chief Executive Positions Similarly Filled.

Dr. J. S. Sproule, M.P., was re-elected head of the grand lodge of British America, L.U.L., making the nith time, at the

last year. The reason is that Clinton is
a junction town, where there are thir
teen trains a day, and since the Norf mandle has become so popular among
travelers, they do their best to stay
there over night when at all possible.
The house has 30 bedrooms, six sample-rooms, office 40x50 feet, large, airy
dining-room, elegantly furnished parilar, bathrooms and all that goes to
make an up-to-date hotel, with a splendid bar, so built that one in the office
would not know of its existence, if be
office strikes one at once with its brill
lint lighting and lavish furniture.
Throughout the hotel is electric light,
steam radiator and telephone in every
trowneince.
Though the Normandle advertises the
low of Clinton more than anything
else, and Mr, Lewis' success is a matter
of gratification to the traveling public,
the has been compelied to offer the
house for sale, and there will likely be
two not Clinton more than anything
else, and Mr, Lewis' success is a matter
of gratification to the traveling public,
the has been compelied to offer the
house for sale, and there will likely be
thouse for sale, and there will likely be
the cabinet. In the course of lis paper he remarks:
Consider the amazing capacity of the
cabinet of the twentieth century. It is
