"While living in Charlotte, N. C., your medicine cured me of asthma and nasal catarrh of ten years' standing," writes J. L. Lumsden, Esq., of 221 Whitehall Street, Atlanta, Ga. "At that time life was a burden to me, and after spending hundreds of dollars under numerous doctors I was dying by inches. I weighed only 131 pounds. In twenty days after I confinenced your treatment I was well of both troubles, and in six months I weighed 170 poinds, and was in perfect health. I have never felt the slightest symptom of either since. Am sixty-five years old and in perfect health, and weigh 160 pounds. No money could repay you for what you did for me. I would not return to the condition I was in, in October, 1872, for Rockefeller's wealth."

to Sir Wilfrid Laurier, his preferential tariff was primarily adopted as in the interests of free trade. If so, it beneinterests of free trade. It so, it so, it is great Britain only incidentally, if the preferential tariff is put forward as a partial discharge of fur obligation, the British government will be justified in ignoring it, because the tariff is an advantage to only a few individuals engaged in the manufacturing industry in Great Britain, and is of no benefit whatever to the British government. The British government is no doubt anxlous, and rightly so, to have some definite understanding with the colonies in the matter of imperial defence, and if the Canadian manager for Southern Mexico of the fits Great Britain only incidentally, If

Regulations for Mariners

Regulations for Mariners.

Secretary Jarvis of the Board of Trade announced at a meeting of the Flour and Grain Section of that body yesterday afternoon that the Grand Trunk Railway has adopted a number of regulations regarding the elevators at Port Colborne and Port Dalhousie. Hereafter every vessel at these points will be taken in rotation, as they enter the harbor. At Port Colborne the rate for lightering will be 2c per bushel.

A notice was also read that shipments had been resumed from Duluth via Saruia at the old rate of 211-5 cents.

THE NEW CONCERT GRAND PIANO

Ionas, at his concert in New York, was recalled three times at the public rehearsal and five times the following evening. He is the latest great virtuoso to use and endorse the famous Heintzman & Co. pianoone of a long list including Albani, Plancon, Hyllested. Friedheim, Lt. Dan Godfrey and many others.

The great English Basso Cantante, will also appear at the Friday night concert. He has always insisted, in his Canadian tour, on the use of a Heintzman & Co. piano. These are his words of praise of this piano that stands distinctive in the Canadian piano world:

character of the instrument which you produce. My recital programs involve a wide selection of songs of most varied characteristics, and require, of necessity, a piano capable, in the highest degree, of the most delicate inflections and of the widest range, alternating from fine pianissimo effects to the most powerful manifestations of dramatic force. To these demands I found your instrument most responsive. I can assure you that it was to me, as an Englishman, the greatest pleasure to find so splendid a piano assisting in the musical prestige of Her Majesty's foremost colony."
