# The Last Sale Day

## OF OUR

# Great Semi-Annual Stock-Taking Sales

### On Wednesday, November 25th, 1903

We will show thousands of dollars' worth of goods at less than cost prices. Being the last Sale Day for this season all odds and ends will be cleared at greater reductions than ever.

To give a detailed list in number, quantity and price of the different lines we will show on Wednesday, 25th, in a newspaper advertisement would waste time and cost too much money. Below we mention a few lines so as to give our customers a slight idea of how we are cutting prices and also lines without prices mentioned that we are showing at big reductions.
