LADIES' VISITING AND AID SOCIETY.

The members of this Society have, as usual, been diligent in good works, and have expended the sum of \$78.43 in assisting with clothing, &c, those connected with us, as well as in rendering aid to the Nazareth Street Mission, and French Evangelization work. In lieu of taking part in the Bazaar in aid of the building fund of the Hervey Institute, they raised by collection the sum of \$38.50, which was paid over to the Treasurer of that Institution.

In addition to the usual work of the Society, they arranged early in October, for the sending regularly every fortnight supplies to the Protestant small-pox hospitals, and testify to the cheerfulness with which all who were asked contributed for this purpose.
