##### LONDON WAS EASY.

Some 200 people saw an exhibition of indoor baseball playing in the Westminster Rink last night, and witnessed Woodstock win from London hands down. The game was lively and amusing, and a great novelty to most all present. The Woodstock nine are well up in the game and outplayed London at every point. This was the first game of a local series of matches in the Indoor Ball League, and the interest displayed by the spectators promises well for the popularity of this novel sport in London. Black, of London, and Healey, umpired, and gave general satisfaction. Woodstock won by a score of 23 to 6. The London team is practicing hard and will be in better trim at their next game. The teams lined up as follows:

London—M. Gibson, c.; T. Taylor, p.; S. Lee, 1. b.; J. Reidy, 2. b.; J. Keenan, 3. b.; Mohler, 1. s.; W. C. Lynch was picked up by a rowboat. Vail, who had a slight lead at the time of the accident, rowed home leisurely. The race was for \$300, and a large sum was on stake as bets, with Lynch as favorite.

Vanity in women is a formidable foe. It is the intention that woman should be vain of her personal appearance, and be satisfied to go through the world with a complexion made hideous by unsightly blotches, pimples, and eruptions. No woman should be satisfied to have a sallowne, sickly complexion.

The remedy for these conditions does not lie in cosmetics. Skin disease is caused by impurities in the blood, and by nervous disorders due to weakness and disease of the distinctively feminine organism. Doctor Pierce's Golden Medical Discovery is the greatest of all known blood-purifiers. It not only drives all impurities from the bloodstream, but fills it with the rich, life-giving elements of the food. Dr. Pierce's Favorite Prescription acts directly on the delicate and important organs that bear the burdens of wifehood and motherhood. It makes them pure, strong, well and vigorous. A course of these two great medicines will transform a weak, sickly, nervous, despondent woman, who suffers from unsightly eruptions of the skin, into a healthy, happy, amiable companion, with a skin that is clear and wholesome. These medicines are made from herbs and roots, and contain no minerals of any description. They simply assist the natural processes of assimilation, secretion and excretion. Medicine dealers sell them.

It is a druggist's business to give you, not to tell you, what you want.

"About four years ago," writes Thomas Harris, of Wakefield Station, Sussex Co., Va., "my daughter Helen was afflicted with eczema in her face. After other remedies had failed."

#### THE KENNEL.

##### 5,000 DEER HUNTERS.

Toronto, Nov. 3.—Fully 6,000 sportsmen are now ranging the northern hunting grounds in chase of deer. This is the estimate of Chief Game Warden Tinsley, based upon the number of licenses issued this season to hunters and settlers. This official further calculates that each of these 6,000 sportsmen kills at least one deer on an average. Warden Tinsley says that, according to general expectation, the deer are increasing rapidly. The clearing of large timber tracts, and their replacement in the course of nature by thick undergrowth, is one of the prime factors in this increase, for it not only affords protection to the deer in places impenetrable by hunters, but also gives them a better supply of food. Nobody can gauge the vast number of deer in the north, as they are scattered over such a wide district.

Frederickton Lady

Tells How Distressing Pains in Her Back and Kidneys Have Vanished Since Taking

DOAN'S KIDNEY PILLS.

Mrs. K. Burns is well known in Fredericton as an enterprising business woman, who keeps a grocery store on King street. By careful attention to business she has succeeded in building up a good trade, and is always anxious to satisfy the wants of her customers. She gave our representative an interview in the matter of taking Doan's Kidney Pills, and related the story of her experience with this remarkable remedy, as follows:

"For over a year I have been afflicted with intense pain in my back, extending from the base of my spine up to my shoulders. I sometimes felt dizzy, and could scarcely venture upstairs without sitting down to rest. I ascertained that my distress was due in a great measure to the deranged action of the kidneys. My loins ached continually, and I could scarcely bend my back. I did not pay much attention to my trouble at first, thinking it would wear away, but in this I was disappointed, as it gradually grew worse.

"Not getting any relief from the many home remedies I tried, I became more and more anxious about my condition, and began to look around for a cure. I decided to try Doan's Kidney Pills, and got a box through Messrs. R. T. Mack & Co., druggists here; and before I had finished a month's treatment I was completely cured, and now I am feeling as well as ever, and my back is strong and without ache or pain. I can highly recommend Doan's Kidney Pills for lame back and many distressing troubles arising from the wrong action of the kidneys."

Doan's Kidney Pills never fail to cure Backache, Bright's Disease, Diabetes, Dropsy, Gravel, Rheumatism, Lumbago, Weakness of the Kidneys in Children, Headaches, Numbness, Female Troubles, etc. Sold by all druggists, or sent by mail on receipt of price, 50c a box, or 3 boxes for \$1.25. Knowing these things, we have digested the oil in Scott's Emulsion of Cod-liver Oil with Hypophosphites; that is, we have broken it up into little globules, or droplets.

We use machinery to do the work of the digestive organs, and you obtain the good effects of the digested oil at once. That is why you can take Scott's Emulsion.
