DIPLOMAS PRESENTED TO THE GRADUATES OF LOCAL CONSERVATORY

Principal Wilgoose Urges That Highest Standards Be Maintained.

The graduation exercises of the London Conservatory of Music were held in the Auditorium last night, and the building was filled to its capacity with friends of the graduates. Prior to the presentation of the diplomas and scholarships won, a musical program was greatly enjoyed by those present. The artists taking part were all members of the graduating class, and a great deal of technique and expression was demonstrated by them in

the various numbers rendered.

Miss Grace Blackburn presented the diplomas to the successful students, and paid a striking tribute to the value of music to the world in her value of music to the world in her opening remarks.

F. L. Willgoose, principal of the Conservatory, also addressed the gathering, and emphasized the importance of maintaining a high standard in the requirements for graduation in music. He advised those who were unfortunate in not obtaining diplomas to try again, and perserverance would win, as with the high standard now required it was no disgrace to fail.

The graduates were showered with bouquets by their friends.
