ST. THOMAS, Sept. 21.—The board of trade, with the approval of the city council, is about to close a satisfactory arrangement with the large American factory to locate in St. Thomas.

The company is asking for comparatively reasonable concessions and for these, if conceded, a big staff of expert mechanics will be employed.

One of a large building in the south end of the city is now under way, and on the deal being consummated, the company will be made public.

Pleading guilty a week ago to the charge of passing worthless checks on couple of local merchants, Richard Mahoney, Pittsburg, and Norman Ogden, Rodney, were fined \$100 and \$400 respectively.

The sentence was made a pecuniary one because of the age of the accused, and the fact that they had been out to the youths on a subsidiary in.
