COMPLAINTS ABOUT GAS.

Company Will Prepare a Statement in Explanation.

Mayor Oliver, who, as the city's representative, attended the meeting of the board of directors of the Consumers' Gas Co. yesterday, obtained a promise that the secretary would prepare a full report for the next meeting relative to the complaints of users that their bills have increased disproportionately.

The mayor says he has satisfied himself that the reason for the increased bills lies in the recent over-employment of gas mains, and that when the jets are turned on full the meters register a larger amount of gas than actually consumed.

The court of revision yesterday considered the appeals of property owners against the assessment for widening of Front street. The work was originally estimated at \$1800, but the actual cost was \$2015. The city will pay.

Controller Ward will introduce a resolution in the city council condemning the practice of sending undesirable immigrants to Canada, and asking Hon. Frank Oliver to discourage it.

The board of control has received a letter from Sir Frederick Borden, minister of militia, asking for an extension of the time allowed the militia department to vacate the buildings on Garrison commons.

One or more of the controllers will go to Ottawa to endeavor to have arrangements that will facilitate the laying of a car line to the eastern entrance of the exhibition grounds.

Mr. Sheard is expected to return to Wright & Co. to locate a slaughter house on Jones-avenue, near Riverside High School.

Industries Commissioner Thompson has received an application from J. Beck of Penafang for a lease of a lot on Ashbridge's Marsh upon which to locate a saw mill.

Had Palpitation of the Heart EVER SINCE SHE WAS NINE YEARS OLD.

MILBURN'S HEART AND NERVE PILLS EFFECTED A COMPLETE CURE.

If you find your health failing, your food apparently doing you no good, your heart beating irregularly—now slow, now fast—skipping a beat now and then, palpitations or throbbings on the slightest exertion or emotion, pain in the region of the heart, face pale, dizzy and faint spells, these all point to heart weakness, to nerve derangement, to a state of health common upon these, which, if not corrected and cured by Milburn's Heart and Nerve Pills, will surely end in utter prostration and hopeless invalidism.

From the depths many have been raised by this remarkable remedy, as its power is beyond all question most marvelous; but, why wait until you have gone so far? Taking these pills now will turn you from the perilous path of sickness and put you on the highway to health.

Miss Mary Wilson, Toronto, Ont., writes: "It is with the greatest of pleasure that I recommend Milburn's Heart and Nerve Pills. Ever since I was nine years of age I have been afflicted with palpitation of the heart, pain in my side and nervousness. As I grew older it kept increasing. After having tried numerous doctors medicines, but to no avail, I was induced to try your pills, and after using several boxes I began to improve, so kept on taking them for some time until now I can truthfully say I am in perfect health."

Milburn's Heart and Nerve Pills are 50 cts. per box or three for \$1.25, at all dealers or The T. Milburn Co., Limited, Toronto, Ont.
