Mr. Munson also called up Mr. Platt over the telephone and told him of the matter and suggested that possibly an examination of a number of boxes sent to Mr. Platt's house would show similar mail matter used in a similar way. Mr. Platt replied that he would prefer not to say anything about it, and Mr. Munson then warned him to be careful and not allow it to be destroyed and that he did not propose to allow that sort of thing to go without an investigation

Ralls having stated that the mail matter had been refused by those to whom it was addressed (notwithstanding the fact that there did not appear upon any of it the regulation postoffice stamp "Refused"), it was deemed ex-pedient to have inquiry made of those to whom it was addressed before taking action against Ralls, who is a partisan Liberal.
