WEST WANTS PEACE Influence White House Towards Pacificism.

Washington, March 27.—With army, navy and industrial preparedness measures to meet German aggression going forward as rapidly as possible, President Wilson and his cabinet to-day took up censideration of further steps to follow the convening of con-gress in extra session next Monday. The president has not yet written the message which he will deliver Tneeday or Wednesday, and is said to the message which he will deliver Tnesday or Wednesday, and is said to have reached no final conclusion as to just what recommendations to make. Because of possible changes in the situation, he is not expected to put the address in final shape until the last

There is no doubt in the minds of administration officials that whatever may be its details, the policy laid be-fore congress will be both vigorous and comprehensive. The general opinion after the cabinet meeting apparently was that the program most likely to be followed by congress will include a declaration that a state of war exists between the U. S. and Germany, an between the U.S. and Germany, an authorization for the president to use the armed forces of the nation to pro-tect its rights, the granting of a large credit to the government to carry out
