

and without such an increase we cannot hope for any great extension of our work. In Paris the removal of some families and the joining of the English Methodist Church by others, have left us with but a small congregation. Special services were held in Roseville during the latter part of the winter. As is usual at that appointment, the preaching was in English, while both languages were used in the Prayer and Fellowship-meetings. Six members were added to the Church as the fruit of these efforts. The spirit of revival was present, and we have reason to believe that the gracious influence of the blessing was felt, even to a wider extent than is indicated by the number added to the membership. If this appointment, in accordance with the recommendations repeatedly given, were attached to one of the adjoining Circuits, we would be encouraged to hope for increased prosperity. There is no other English service held within four miles. The membership, though small, includes some faithful, earnest workers; and the attendance upon the public ministrations is good. EGANSVILLE.

As your Missionary, I laboured during the past year under the influence of hope deferred. Being now the only labourer in this department, consequently unable to act aggressively. My interest in this dear people is unchangeable, although duty leads me to recommend that they be transferred to the "Evangelical Association"—a German Church, preaching our doctrines and holding our usages, which will well provide for their spiritual wants. A number of our members will be pleased with this overture, but in behalf of the majority, who compose the godliest of our flock, I must state that they will acquiesce reluctantly, sadly, weepingly, and will ever love our church, and their prayers will ever follow the same as the means of their conversion. A sainted departure proved a means of grace to many, and how I rejoice to add, that a goodly number, who had passed threescore years, stand, filled with rapture, waiting their translation, and that a strong determination to live the life of the righteous in whose path there no fear of death is in most of our people manifested. Sixteen years has it been my privilege to assist in gathering and feeding these blood-bought souls, doubly dear to me in being my own countrymen, which makes it no easy task in me to sever with them, and impresses me while penning these lines as one writing a requiem.
