NEW
TROUSERS,
OVERCOATS
.....SUITS.....

In selecting your Spring apparel, it will be well to consider this point: Much clothing is made merely to sell. It looks well in the store, but inferior inside materials and workmanship are responsible for the rapid departure of the original freshness and fit.

We offer you ONLY the most permanently elegant and permanently well fitting trousers, overcoats and suits.

Among the several reliable lines we carry is the famous "20th Century," which we wear will tell you always gives lasting satisfaction.

New Spring Overcoats—an unusually attractive line—\$12 to \$25, ready-to-wear.

All suits and overcoats on hand in dust-proof cabinets—in perfect shape, without wrinkles.

Our tailor-to-measure department is at your service, with a pleasing variety of new Spring fabrics.
