Very truly and gratefully yours, GEO. M. MILLIGAN.

384 Sherbourne Street,  
Toronto, July 23rd, 1884.

Dear Sir,—By taking your treatment last fall I am happy to tell you that I find I began last winter's work well. I have not slept for years so soundly as I have done since the treatment, and never have I done my work with such

comfort and energy as during the past year. The tone and alternative effects of the Electrical applications have been of so great benefit to me, I believe every person, whatever his health may be, would find himself benefited by a greater or less use of Electricity. *It is indispensable to the health of the nerves.*
