THE RING.

Fight Tonight.

Battling Nelson has suddenly become favorite over Young Corbett in the betting for to-night's battle, at San Francisco. The change in the odds came when the news spread that Nelson was within 2 1/2 pounds of the specified 150 pounds, while Corbett was still 4 pounds above weight.

HOCKEY.

Ladies Play Hockey.

The ladies' hockey match which is to be played tonight on the Queen's rink, between the Fredericton team and a local septette is creating much interest, and the prospects are that the rink will be crowded to the doors.

The Stanley Cup.

Ottawa, Feb. 24.--The challenge of the Rat Portage hockey team for the Stanley cup has not yet been officially accepted by the trustees.

Rockwoods, 5; High School, 1.

The Rockwood hockey team defeated the High School septette last evening 5 to 1. Parker shot two goals, Milligan, Kerr and Smith one each, for the Rockwoods and McLean made the only score for the High School. This makes the seventh victory for the Rockwoods, they were defeated only once.

Hockey at Truro.

Truro, Feb. 28.--A humorous game of hockey was played here last night in the Metropolitan rink. The rink was loaned to the local Y. M. C. A pewter cup was presented to the fremen for an alleged victory. A team of Dartmouth boys came up and were defeated by Truro 8 to 1.

Can Eat Anything Now.

How many Dyspeptics can say that? Or perhaps you are dyspeptic and don't know it. Have you any of these symptoms?

Variable appetite, a faint gnawing feeling at the pit of the stomach, unsatisfied hunger, a loathing of food, rising and souring of food, a painful lead at the pit of the stomach, constipation or are you gloomy and miserable? Then you are a dyspeptic. The cure is careful diet; avoid stimulants and narcotics, do not drink at meals, keep regular habits, and regulate the stomach and bowels with BURDOCK BLOOD BITTERS.

Nature's specific for Dyspepsia. Miss Laura Chicoine, Belle Anne, Que., says of its wonderful curative powers--"Last winter I was very thin, and was fast losing flesh owing to the run-down state of my system. I suffered from Dyspepsia, loss of appetite and had blood. I tried every thing I could get, but to no purpose; then finally started to use Burdock Blood Bitters. From the first day I felt the good effect of the medicine and am now feeling strong and well again. I can eat anything now without any ill after-effects. It gives me great pleasure to recommend Burdock Blood Bitters, for I feel it saved my life."

1. This was a fast game but largely one sided in favor of the home players.

SKATING.

In the Victoria rink last night Roy Wilson defeated Frank Rogan in a half mile race from opposite sides of the rink. Wilson won by a quarter of a lap.

M. P. A. A. Sports.

The M. P. A. A. sports which are to be held in the Queen's rink tomorrow night, should be very keenly contested. Fric, McDonald, Belyea and Logan, as well as the others who are entered, should all make a good showing and the races will probably be among the best ever held here.

Quinn at the Victoria.

There was a large crowd at the Victoria rink last evening to witness the exhibition of acrobatic skating given by Wm. Quinn, of New York.
