J. TWINING HARTT, CAPTAIN,
Secretary-Treasurer,
N. B. P. R. A.

To the President and Members of the N. B. Rifle Association:

GENTLEMEN—Your Audit Committee beg to announce that they have examined the accounts of the Secretary-Treasurer for the year 1887-8, with vouchers for the expenditures and find them correct. Again we have to report an increase—and a very substantial one—over the preceding year and on this the members are to be congratulated. We cannot speak too highly of the clear and concise manner in which the accounts have been kept and the facility afforded us by the Secretary-Treasurer in our duties.

St. John, N. B., 3rd Oct., 1888.

P. A. MELVILLE, }
J. F. McMILLAN, } Auditors.
