Keeper of the Fires

Down through the centuries Woman has been the keeper of the home fires.

TODAY—
"It's done
with Heat,
you can do
it Better
with GAS"

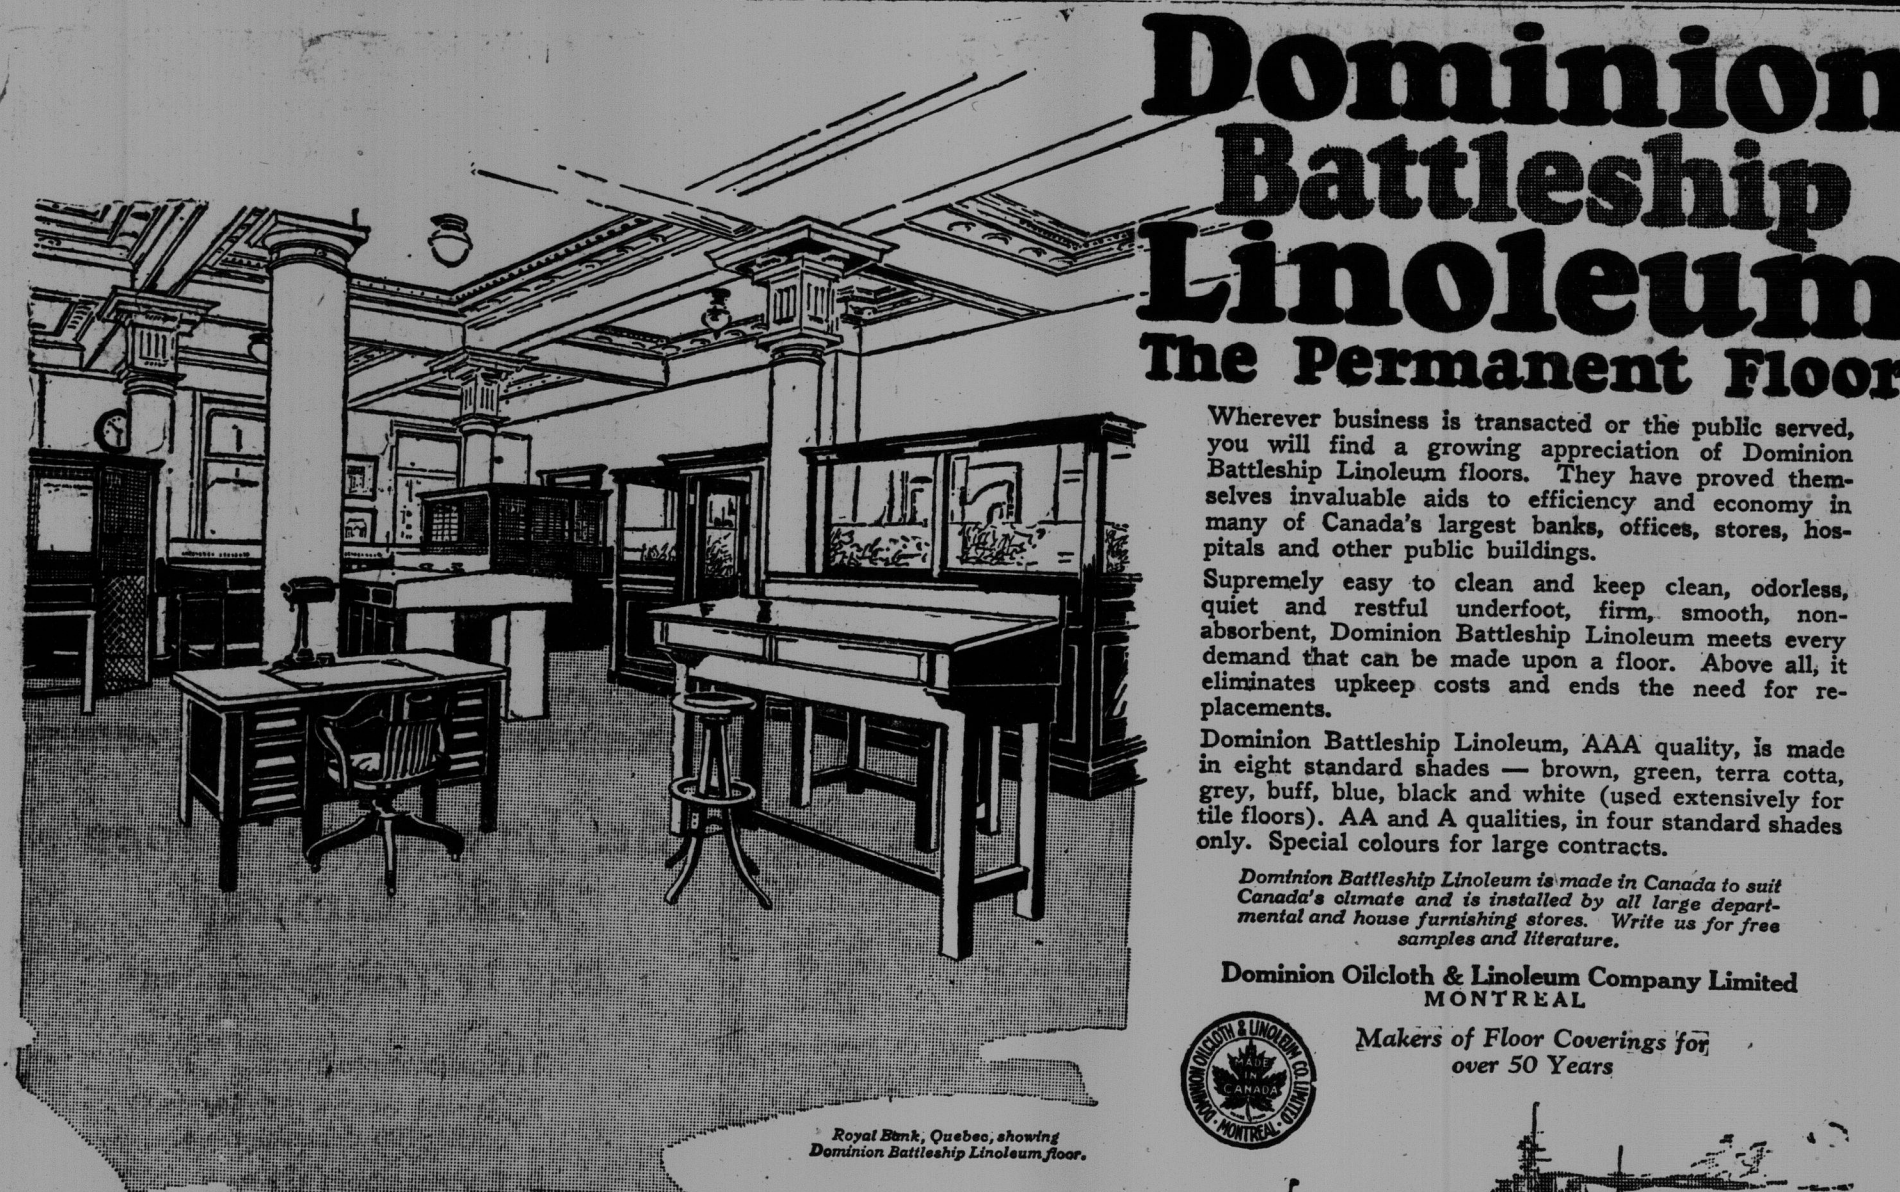

At first she kept them blazing among the passed and the rock fire became the sheltered hearth. For centuries Woman drudged along until inventive genius evolved gas service, the modern burden bearer.

Woman still remains the keeper of the home fires, but gas service insures her forever against the tyranny of ashes, smoke and dirt.
