Worries About Sick Wife--Now She's Well

Because his wife had stomach trouble, T. Williams worried a great deal. He got her to try the mixture of buckthorn bark, glycerine, etc. (known as Adlerika give your stomach and ika) and now his worries are over. She says she feels like a new woman.

Adlerika brings out much additional matter which might cause trouble. Don't waste time with pills or tablets, but let Adlerika give your stomach and bowels QUICK relief.

What Doctors Say Many people keep the OUTSIDE body clean but their INSIDE body stay full of gas and poisons, Give the inside a REAL cleansing with the mixture of buckthorn bark, glycerine, etc., as sold under the name of Adlerika. This acts on BOTH upper and lower bowel, eliminates metabolic poisons and removes old matter which you never thought was in your system, and which caused sour stomach, nervousness, sleeplessness, headache, etc.

Whenever you eat too much heavy food, let Adlerika REMOVE the undigested surplus and leave you feeling gested surplus and leave you feeling fine. ONE spoonful relieves GAS and takes away that full, bloated feeling.

Even if your bowels move every day.

THREE CANADIAN WOMEN REGAIN THEIR HEALTH

By Taking Lydia E. Pinkham's Vegetable Compound. Every Suffering Woman Should Be Interested in Reading Their Letters

Sussex, King's Co., N.B.—"I have taken your medicine and find that of does just what you say it will do. I am the mother of four boys and they are all healthy. When I was carrying my first baby I was suffering from bearing-down feelings and could hardly get around to do my work. I would have to lie quiet for a good deal of the time. There was not a great deal to do, so I managed for six or seven months by lying down several times a day. I saw in one of your little books what Lydia E. Pinkham's Vegetable Compound had done for women in my condition, so I said to my husband, 'I amagoing to try this medicine.' He got me a bottle and it gave me great relief. I got the medicine and I always take Lydia E. Pinkham's Liver Pills for a laxative. I recommend the yegetable Compound at my work. Now, I have my own work to do, as I am a widow. I always recommend the Vegetable Compound to my friends and tell them just what it has done for me. I have recommended it to my neighbor and she says she is feeling some better since taking it. "—Mrs. PHOEDE ANDERSON, R. R. 2, Sussex, King's County, New Brunswick.

Women pay attention to what their neighbors say regarding health matters. In this way the results of taking Lydia E. Pinkham's Vegetable Compound are circulated in every neighborhood.
