UNION BANK KEEPS PACE WITH CONDITIONS

Fifty-sixth Annual Statement Reveals Strong Position — Total Assets Increased $60,000,000 Since 1916.

The annual report of the Union Bank of Canada is always interesting, and the report for the year ended Nov. 30, 1920, is no exception to the rule. Coming at a time when financial conditions are changing fairly rapidly it is gratifying to note that the bank has been able to considerably strengthen its position during the year with the result that its

1920 balance sheet is the strongest statement the bank has issued since it commenced business fifty-six years ago, in quick assets and cash holdings.

The growth of savings deposits is always a satisfactory feature of a bank statement for it demonstrates the confidence of the public in the institution. During 1920 savings deposits increased nearly $1,250,000 and on Nov. 30 totalled $35,610,464.

Two new headings appear in the statement this year which were included in 1919 under "Current Loans in Canada." One of these "demand loans in Canada secured by grain" amounting to $10,732,755.47 shows plainly that the bank has been rendering valuable services in assisting the marketing of the grain crop. The other new heading is "Loans to governments and municipalities" and amounts to $7,648,176.39. These items when totalled with current loans and discounts in Canada," show $88,230,716.79 or 1.96 per cent increase over 1919.

The total assets now amount to $169,205,445 as compared with $109,040.228 in 1916, an increase of over $60,000,000. Paid up capital totals $8,000,000 and in addition the bank now has a rest account totalling $6,000,000.

During the past month or so the personnel of the directorate has been added to by the inclusion of two prominent western business men—G. M. Black of the firm of Black & Armstrong, general financial agents, Winnipeg, and D. N. Finnie of Finnie & Murray, Ltd., Winnipeg.

The Union Bank has not overlooked the value of international banking facilities and in addition to its own offices in London, England, Paris and New York it is able to extend banking facilities to Canadians doing business in the Far East.

The Union Bank now has 389 branches and is able to render a complete banking service in all parts of the Dominion.

MORE REDUCTIONS IN CLOTHING PRICES AT OAK HALL

Oak Hall started this morning one of the most interesting sales of men's suits that has been offered to the public for a long time. Although prices have been lowered for some time now, it is Oak Hall's intention to clean up their present stock now in quick order to prepare the way for spring.

To accomplish this they have cut the prices of suits down to rock bottom, in fact considerably below the new spring prices that will rule. They have taken their entire stock of $35, $38, $40 men's suits and lumped them at the one price, of $24.85, their entire stock of suits, except blues, at $45, $48, $50 are all newly priced at $34.65, and then there is one lot of $45, $50, $55, blues, priced at $34.65, altogether making one of the most stupendous suit sales Oak Hall has ever attempted.

As these suits are all Oak Hall's regular high class stock and every one with the Oak Hall label, one is assured of fine qualities at the original prices, so when these same qualities are procurable at reductions of 30 per cent to 40 per cent there should be no hesitation in taking quick advantage of it. In fact since this sale started this morning many have already profited by it, and naturally there will be many more tomorrow.

GOOD VARIETY IN NEW PROGRAMME

Opera House Presents Classy List of Vaudeville Artists and Snappy Serial Picture.

The new programme in the Opera House yesterday afternoon and evening was enjoyed by large and appreciative audiences. Every act had something of interest and all evoked favorable comments. There was a good variety and many new features in the vaudeville line were introduced.

The Bally Hoo Trio have a highly entertaining act entitled "The Circus La Petite." It is well staged and presented in a manner both novel and interesting. The two male members are exceptionally brilliant performers and their acrobatic and contortion feats won well merited applause.

Sandow, in his physical culture exhibition, was a favorite. He is exceptionally well muscled and possesses great strength. He demonstrates a number of exercises which are beneficial for health and strength and also gives a few pointers on the art of boxing. He was formerly under the wing of "Philadelphia" Jack O'Brien and was a clever boxer, but had to retire as the arches of his hands were injured. Some of the feats he performed were:—lifting with his teeth, a man sitting on a chair; bridging on the floor and raising a bar weighing 250 pounds; bending large spikes, etc.

Blanche and Jimmy Creighton presented a rural comedy skit entitled "Mudtown Vaudeville," and kept the audience convulsed with laughter. The skit is teeming with funny dances, mimicry, musical accompaniments etc.

Cooper and Lack in "Dance Moments," made a popular hit. They are clever dancers and introduced many novel eccentric steps, which were well executed. Both are light on their feet and well merited the applause tendered them.

Billy Burke "The Man off the Ice Wagon," was well received in a singing offering. He has a tenor voice of considerable range. He was formerly employed driving an ice wagon in New York when a noted musician heard him singing and as a result of his interest Billy is now using his voice to make a living, instead of his hands.

In addition to the vaudeville there was another episode of "The Veiled Mystery," featuring Antonio Moreno. This performance will be continued this evening and again on Thursday afternoon and evening.

Chicago, Jan. 19—Chairman John A. Richert of the Finance Committee has solved the problem to a too noisy City Hall, he said today, "after seventeen years of observation and perturbation." A bag of all-day suckers was passed around by the chairman when he opened a meeting of the committee, and for an hour the Aldermen wer quietly occupied with licking the candy sticks. The desired degree of silence was attained.

"One of the most successful meetings we have ever held," said Mr. Richert afterwards.

SAMUEL GOMPERS ELECTED.
