### PEACE TIME STRENGTH

WASHINGTON, Feb. 2.—Approximately  
94,000 men, thirteen pre-dreadnaughts,  
thirteen pre-dreadnaughts, eight  
armored cruisers and seventeen light  
cruisers will be the peace time strength  
of the American navy after next July 1,  
so the house naval committee today told  
the senate by letter. Admiral Taylor.  
This will be three times the number in  
commission when the United States  
entered war on Germany, but the com-  
parative tonnage will only be about one  
and one-half times as great.

109  
years

is the proud record of one  
who belongs only to  
JOHNSON'S  
Anodyne Liniment

and external use—for Coughs, Colds, Sore  
Throat, Grip, Rheumatism, Toothache,

### BITRO-PHOSPHATE IS GOOD FOR THIN NERVOUS PEOPLE

A PHYSICIAN'S ADVICE

Frederick S. Kelle, M.D., Editor of  
New York Physicians' "Who's Who,"  
says that weak, nervous people who want  
increased weight, strength and nerve-  
force, should take a grain tablet of  
Bitro-Phosphate just before or during  
each meal.

This particular phosphate is the dis-  
covery of a famous French scientist, and  
reports of remarkable results from its  
use have recently appeared in many med-  
ical journals.

If you do not feel well; if you tire  
easily; do not sleep well; or are too  
thin; go to any good druggist and get  
enough Bitro-Phosphate for a two  
week's supply—it costs only fifty cents  
a week.

It is sold by the Ross Drug Co. in  
St. John and all good druggists.

### Eyes Strained?

If your eyes are work-strained or  
tired; if your vision is dim or  
blurred; if it bothers you to read;  
if your eyes burn or itch or ache; if  
you wear glasses, get a bottle of  
Bon-Opto tablets from your drug-  
gist, dissolve one in a fourth of a  
glass of water and use from two to  
four times a day to bathe the eyes.  
Bon-Opto has brought comfort and  
relief to thousands and thousands.

Note: Doctors say Bon-Opto strengthens eye-  
sight 25% in a week's time in many instances.

### SICK HEADACHES For Last 10 Years

Headaches affect all ages and both  
sexes alike, but in all cases the treat-  
ment should be directed to remove the  
cause, for with the cause removed the  
headaches vanish for all time.

What is necessary for a permanent  
cure is something that will go right to  
the seat of the trouble. For this purpose  
it is impossible to find a better  
remedy for headaches of all description  
than Burdock Blood Bitters, acting as it  
does on every organ of the body to  
strengthen, purify and regulate the whole  
system.

Mrs. Flora Hall, Dominion, N. S.,  
writes: "I have been troubled with sick  
headaches for the last ten years. I had  
lost faith in all remedies until recently  
a friend of mine advised me to try  
Burdock Blood Bitters. This I did, and  
found relief in a very short time. I  
would now recommend B. B. B. to any-  
one who is suffering as I did. I only  
look 30 better, and never troubled  
with sick headaches any more."

B. B. B. has been on the market for  
over 50 years. Manufactured only by  
The T. Milburn Co., Limited, Toronto,  
Ont.

### PROHIBITION IN SASKATCHEWAN

REGINA, Sask., Feb. 19.—(Canadian  
Press)—The Saskatchewan Temperance  
act of 1920 received its second reading  
by a vote of 40 to 6 in the legislature on  
Saturday.

Hon. C. A. Dunning made it clear  
that the government proposed to en-  
force the new act to the uttermost. If  
a referendum showed the people want-  
ed prohibition. If there were loopholes  
in the act they would be closed up.

The death of the latter is a provision in  
the committee print that all of the em-  
ployees of the proposed bureau of the budget in  
the office of the secretary of the treas-  
ury, with the exception of the director  
and his two assistants, shall be appoint-  
ed from a list of eligibles to be supplied  
by the civil service commission and in  
accordance with the civil service law and  
regulations. The term of the director  
and assistant directors of the bureau, ap-  
pointed by the president, is fixed at five  
years.

A section creates ten new departmental  
officers at an annual salary of \$5,000  
each to serve as financial secretaries to  
the chiefs of the ten major executive de-  
partments by whom they would be ap-  
pointed. The term of the director  
and assistant directors of the bureau, ap-  
pointed by the president, is fixed at five  
years.

The committee print strikes out sec-  
tion 5 of the bill, thereby leaving it dis-  
cretionary with the secretary of the treas-  
ury as to how the ten \$5,000 experts  
given to him in the proposed bureau of  
the budget should perform their work.

One of the most substantial revisions  
suggested by the committee print has  
been made through the elimination of  
provisions in the bill introduced which  
required the president's budget to show  
the original demands of the various de-  
partments and independent establish-  
ments. After consideration of these pro-  
visions, Senator McCormick decided that  
if such provisions were included in the  
bill finally reported for adoption that  
the president's responsibility under the  
bill would be weakened and that he  
would be embarrassed in the submission  
of a budget showing what the depart-  
ments and establishments asked for and  
what he actually recommended that they  
be given by congress.

It is also suggested by the committee  
print that the date of the submission of  
the budget to congress by the president  
be changed from Jan. 1 to Dec. 1, so that  
he submit it with the "approval" which  
would make him simply a transmitting officer;  
and that the time allowed the secretary

### VON REUTER HOME

Admiral von Scuttlers Ships  
at Scapa Flow Finds Hearty  
Reception.

WILHELMSHAVEN, Jan. 31.—Admiral von  
Reuter, chief of the German fleet at  
Scapa Flow, who gave the order for the  
surrender of the German warships there  
last Sunday, returned here today. He has  
been set free by the British authorities  
and was greeted by thousands along the  
harbour front, which was brilliantly de-  
corated.

Chief of the Admiralty Admiral von  
Trotter, in a speech of welcome, said to  
von Reuter: "I have come here deeply  
moved to bid you the warmest welcome  
on behalf of the German navy and of our  
dear fatherland. You stand before me  
as the last of our German high seas  
fleet, who once was so accustomed to  
victory. The ships you have not brought  
home. You at your lonely post gave the  
order to sink the fleet when you regard-  
ed the resumption of war as a fact."

Labor Speaker in  
Toronto in Favor of  
Soviet Government

Toronto, Feb. 2.—John Macdonald,  
vice-president of the Toronto Independ-  
ent Labor Party, speaking on Sunday  
night, said that the less government there  
was the better it would be for the people.  
He said he believed in the Soviet form  
of government, "as it is established in  
Russia. There had been barbarities  
under that system, he admitted, but this  
was "because the whole organized force  
of capitalism has been at the throat of  
soviet institutions."

### AMALGAMATION INTO ROYAL CANADIAN MOUNTED POLICE

Mounted Police under command of  
Commissioner Perry and with A. A.

dominion police force was absorbed by  
the Royal Canadian Mounted Police or-  
ganization, but the mounted police or-  
ganization remains unchanged and will  
be extended to cover all parts of Canada.

### ONTARIO POST OFFICE MAN IN PENITENTIARY FOR ROBBERY MAIL

Belleville, Ont., Feb. 2.—George Rus-

was sentenced on Saturday to the  
Kingston Penitentiary for three years  
on each of three charges of robbing reg-

instant and the voting on the 16th.

A military motor ambulance was near-  
ly lost on Saturday when it slipped

over the front of the ferry and the rest  
of the chassis remained on the boat.

Washington, Feb. 1.—When the senate

adoption, Senator Medill McCormick,  
chairman of the committee, will place
