Burglary Charged and Big Lot of Loot Recovered—Arrests Also in Silk Stealing Case.

New York, April 21.—A pitched battle resulted last night when police attempted to arrest five men charged with burglary in a road house garage at Maspeth, L. I. Several shots were fired before the men were captured. No one was hurt.

The police recovered \$218,000 worth of merchandise which they said was stolen from a freight car in the New York Central yards on the lower west side last month. The police say that two of the prisoners, Ben and Theodore Cotten, are the owners of the road house. Five other men were arrested in Patterson, N. J., in connection with the theft of raw silk in transit. The arrests were made by detectives of the American Express Company. It is said that four of the men are officials of silk companies.

Long-Standing Evil
Effective Measures Taken
Since childhood Mr. A. Call was under the shadow of a great evil, which always menaced his comfort and safety. Road wist he says—

"I was troubled with my kidneys since childhood and spent a large amount of money trying to get cured. Instead of getting better, I kept getting worse until a friend of mine advised me to try GIN PILLS. I did so, and after taking one box, I was able to get out of bed and walk around. Two more boxes relieved me completely, and since then I have had no return of the trouble."

Many people have kidney and bladder trouble without knowing it. They think nothing of the backache, the pains in the sides, the constant headaches, the rheumatic, sciatic and neuralgic pains, the floating specks before the eyes, the swollen joints, the highly-colored urine—all signs of trouble—all signs which should receive immediate attention and treatment with GIN PILLS, which are by far the most effective of all preparations, and which may help you to avoid a fatal operation. They quickly relieve pain and heal the congested tissues, bringing the organs back to normal. At drug stores and dealers, 50c a box. Money back if no relief. THE SYNOD

Sessions of the fifty-first annual meeting of the diocesan synod of the Church of England were held yesterday afternoon and last evening, in Fredericton. The nominating committee was appointed as follows: Chatham deanery, Archdeacon Forsythe, F. E. Neales; Fredericton, Rev. Mr. Halstone, W. W. Hubbard; Kingston, Rev. C. G. Lawrence, H. F. Puddington; Shediac, Rev. W. Tomalin, C. S. E. Robertson; St. Andrews, Rev. P. G. Cotton, D. F. Maxwell; St. John, Rev. J. H. A. Holmes, H. U. Miller; Woodstock, Rev. L. A. Forster, J. C. L. Ketchum.

The report of the standing committee was read by Canon Smithers, containing resolutions regarding the matter of the Brunswick lands, the sale of a portion of the glebe in Margerville, and the sale of the Perth lands at an upset price of \$2,000.

The report of the executive committee was also read dealing with a motion to increase the grant to widows and orphans to \$500, and the obtaining and publishing in the synod journal the names of those who fell in the great war. Miss Adelaide Robinson has been appointed deaconess for the synod at a yearly salary of \$700. The sum of \$300 was voted to Horace Porter in recognition of his admirable services as secretary of the laymen's special committee of missions.

A sum of \$12,000 was voted as travel expenses to Bishop Richardson. The report of the committee on Bible reading in the public schools was read by Very Rev. Dean Neales. He reported good progress and recommended that the committee be continued. This report was also passed.

The report on the committee of laymen on increased stipends of the clergy was read by its chairman, Horace Porter. The campaign has taken the form largely of circular letters.

The net results for 1919 as compared to 1918 were as follows:

	1919.	1918.
Aided mission stipends	\$15,706.29	\$10,852.51
Diocesan appointment	15,404.62	11,029.77
M. S. C. C.	5,671.28	5,791.67
Totals	\$36,782.19	\$27,673.95

An increase of \$10,108.24. On the other hand the amount due from aided missions (unpaid balances) dropped from \$2,577.01 in 1918 to \$1,907.92 in 1919, a betterment of \$669.09.

The reports of the secretary of the affixing of the seal of the synod and of the diocesan registrar were accepted as statements of fact. There were two ordinations, twelve clergymen licensed, and three resignations. Three leaves of absence were granted. The treasurer's report of the Colonial and Continental Church Society was read and showed the balance on hand at the end of December, 1919, to be \$668.85. The report was received.

As the work was getting rather heavy for the secretary, Rev. W. B. Dunham was appointed assistant secretary of the synod for this meeting. The report of
