Senior Ramblers Won.
In a very fast and exciting game played last night on the Fort Howe diamond, the Senior Ramblers won from the Lower Cove Volunteers by a score of 5 to 4. This is the first game the Volunteers have played, it being a new organization, and in the first contest they shaped up very well. Roy Foster, pitching for the Volunteers, did some very fast work, while the batteries for the winners were in good shape.

Telegraph Boys Won.
The baseball team representing The Telegraph mailing rooms defeated the St. John Standard's team last evening to the tune of 7 to 6. From the time that the first inning was concluded it was clearly seen that The Telegraph boys had the better of the game, and had it not been for several errors made in the playing of The Telegraph boys, the score would have been much larger in their favor than it was. That is to let the winners tell the story. The batteries for the victors were Bartlett and Akers vs. Ritchie and Parier.

Baltimore Bars Bouts.
Baltimore, Md., June 26.—The board of police commissioners announced today that except for the boxing contests for which permits have been granted, no more will be allowed during the period of the war. In effect this prevents the meeting of Fred. Paxon and Jack Dempsey in this city. The board had previously issued a promise for the contest for the fourth of July, but owing to the inability of the promoters to get a proper site they decided to postpone to July 13, when these went before the board today to get permission to change the date they were informed of its action.
