LOCAL NEWS

A special meeting of the common council is called for 8 o'clock this evening to deal with the paving report.

Mr. and Mrs. Geo. Logie, 118 St. Patrick street, wish to thank their many friends for kindness and sympathy shown them in their recent sad bereavement.

While going down Dock street this afternoon a horse with alvoren got directly in front of an automobile, but an accident was cleverly averted by the driver of the car, who, seeing the danger turned his car from the roadway and drove it over the curb stone up to the building of Robertson Foster and Smith.

A visitor to the city today who was warmly greeted by many friends here, was Thomas M. Barrett, assistant purchasing agent of the C. P. B. Quebec. Mr. Barrett is here in connection with the receiving of tenders for the supplying of steamers coming here this winter, anticipates to have all of them in hand before leaving for Quebec tomorrow night. He and other C. P. B. officials will return in November for the winter's work.

NEW INDUSTRY WILL EMPLOY ABOUT 50 MEN

Box Factory Company Start Work Remodelling Dunn Plant and Buy Sawmill at Wesfield

St. John is to have a new industry, employing about fifty men. The Wilson Box Co. Ltd., which lately purchased the buildings and plant of the Dunn Pork Packing Co., near Fairville, began work yesterday in remodelling the plant into a box factory. The company have also bought the Crawford sawmill at Wesfield and will operate it in connection with the factory.

They will purchase material from other mills, and manufacture cases, boxes, crates and packages, and engage later in the export of box goods. Dry kilning for domestic use will also be prepared and delivered by the company's teams. It is expected the factory will be in operation in less than two months.

It is an illustration of the new spirit of enterprise in St. John that local men are establishing this industry.

The officials of this new company are—President, T. H. Estabrook, treasurer, vice-president, Stanley E. Elkin, Mgr. of the Maritime Nal. Col. Ltd.; directors, W. F. Fen, president of the Fenwick Road Estate Co., Ltd. and John Galey, box mill superintendent; managing director, Alex. Wilson, lumber merchant.

SHEFFIELD STREET RAID; HEAVY FINES

James Miller \$175 or Six Months; Three Women \$50 Each or Three Months in Jail.

Following four arrests made last night in a raid by the police on a house in Sheffield street, and subsequent charges made against people found there, some heavy fines were asked for this morning in the police court. The arrests took place about 11 p. m. and were made by Police-men White, Crawford, Lucas, and Rankin.

As a result James Miller, charged with being the proprietor of a heavy house, in which betting takes place, was fined \$175 or six months in jail, \$75 or three months on the first charge and \$100 or three months on the second. His wife, Bertha Miller, aged 34, was fined \$50 or three months, and the same penalty was meted out to Ethel Davis, aged 25, and Gertrude Abbott, aged 22.

A charge of sleeping in Cameron Ward, a contemptuous, was also made against the Abbots, but it was allowed to drop.

A charge of lighting caused a fine of \$20 to be imposed on George Cunningham, while a similar charge against Albert McInerney was postponed until he and the other defendants were ready to appear. Frank Mackenzie and John Curley were fined \$4 each on charges of drunkenness.

FIRST CHARTERS UNDER THE NEW ACT

Steamers for New Brunswick Ports—Shippers Will Seek Change in Law

The following charters, made since the first of the month, and therefore the first to come under the new act, are reported—Steamer Cheronea, 374, Cape Tormentine, completing at Miramichi, to Dublin, Ireland; steamer Russ, Miramichi to West Coast of England, 40 shillings; Steamer Bergenham, Miramichi to Cardiff, 28s; Kootay, from St. John, per terms.

Shippers are not cheerfully submitting to the new order of things as they have no remedy at the present time. They are unanimous in declaring that every effort will be made to have rectified what they declare is unfair. One prominent shipper said today that his firm and all the others proposed to take steps to affect a remedy.

WOMEN'S AUXILIARY HAVE BUSY MORNING

At this morning's session of the General Board of the Women's Auxiliary of the Church of England, the business consisted of the reading of the report of the Chinese work and the report of the special committee on rules and regulations for missionaries in the field. Much time was taken up in discussion.

The report on Chinese work in Canada was read by Miss Bogert in the absence of the convenor, Mrs. George Green. It consisted of the reports of the dioceses on the state of the work in each. Each showed satisfactory results, Chinese classes being conducted very successfully. A number of Chinese catechists were at work in British Columbia among their fellow countrymen and doing good work. A discussion followed the reading of the report with the idea of a more simple catechism for the Chinese.

The report of the special committee on rules and regulations for missionaries in the field made, among other recommendations one that the furloughs of missionaries be shorter, but more frequent.

The following appeals were received and considered Canadian field. Rev. W. Alton, Kewatin; Rev. F. Graham, Kootenay; Rev. A. Dunston, Qu'Appelle; The Bishop of Saskatchewan; Rev. A. B. Ronald, Saskatchewan; foreign field, Rev. the C. Walker, Japan; Miss Hamilton, Japan; Miss Whitney, Ceylon.

Adjournment was made at 1 o'clock.

This evening there will be an informal meeting to be addressed by prominent speakers of the auxiliary and Mrs. Elvina Tree of Toronto one of the best known workers in Canada. The meeting will be held in Stone church school room at 8 o'clock and will be open to the public.

TRAVELLERS GIVE EXPRESSION TO THANKS

To the Editor of the Times-Star:

Sir,—On behalf of the commercial travellers and those who so ably assisted me, I wish to thank the president, Mr. Skinner, and manager, Mr. Good, for the many courtesies and privileges extended to the commercial travellers at the Dominion Exhibition.

We also wish to thank Tuckett Co., Ltd., Hamilton, and W. H. Thorne & Co., for the prizes donated to the winners of the base ball game, and those who so kindly loaned us the base ball outfits.

Wishing the management best success.

Yours truly,

DONATION OF \$100 TO OLD LADIES HOME

At the quarterly meeting of the directors of the Old Ladies' Home this week, W. Shivers Fisher, the president, announced that the late Mrs. Martha J. Hay had left the sum of \$100 to the home, and that the amount had been paid by the executrix, Mrs. Emily G. Bishop, of Greenwich, N. S.

The directors wish to express their appreciation of the legacy, which comes most acceptably at this time, when the demands made on the home are much greater than the directors can cope with under the present endowment. There is always a large waiting list of applicants for admission, who cannot be accommodated for lack of room. Ground for additions to the building as available, but the directors do not feel justified in increasing the cost of maintenance while the funds of the institution remain as at present, even if the expense of adding to the size of the building could be arranged.

With the increased cost of living, it is only by the most careful management that the running expenses are kept within the income.

IN THE DEPOT TODAY

Things around the Union Depot were rather quiet this morning, owing to the fact that most of the trains due to arrive here about noon, were late. The Boston train which is due at 11.10, was late forty minutes. The Montreal, due at 12 o'clock, was twenty-five minutes late and the second division forty-five minutes behind time. The Maritime Express from Moncton came in at 10.20 carrying large numbers of passengers from points along the I. C. R. A special train from Amherst brought in about 500.

Fore-Handed Men After CLOTHING

Have caused some surprises in our Men's Clothing Section during the past two weeks.

"Never knew so many men after Fall Clothing so early. Wonder if its going to be an early winter?" said one of the salesmen.

But we believe in business seasons more than in signs. It isn't because they are afraid of an early season break that sensible men are after their Fall Clothing already.

They are coming because they know that the Oak Hall Stock of Fall Clothing is here and they want to get first pick.

Of course you know why we're able to give you so much more for your money that anyone else—being manufacturers we have no middle-man's profits to pay, but sell directly to you at practically wholesale prices.

We have New Fall Suits for **\$5.00 to \$30.00** Men in a price range from

The Hall Mark of Merit in BOYS' CLOTHING

Over in England they put a particular stamp upon all genuine metals to distinguish them from alloys. If such a device were adopted in the case of Boys' Clothing an immense number of Suits that now look fairly respectable would be hustled into obscurity quickly.

In the absence of such a mark it is not your safest plan to buy your Boys' Fall and Winter Clothes from a store that will give back your money if your satisfaction is not complete!
