

FATAL FIGHTING AMONG CONVERTS

THIRTY PROTESTANTS LOSE THEIR LIVES

Terrible Massacre Results From Petty Dispute—Other Advice By Just Arrived Oriental Mail.

News of an indiscriminate massacre of Christians by converts of a different faith is told in exchanges brought by the just arrived Oriental mail.

In a village named Jen Ching, about 15 miles from the capital of Kiangsi, a number of Roman Catholic and Protestant converts reside.

News has also been received from T-sing that in a village called Zan Shai Chuan, in the district of Ku Ye Hsien, near T-sing, six Chinese Christians were murdered.

A Tientsin dispatch reports that the Russians have decided to send troops from Port Arthur to Hailan against the Chinese insurgents.

The Chinese insurgents who captured Antong-chien are increasing in number every day. They are plundering the neighboring villages.

An official dispatch to the Japanese government from Seoul states that the mounted bandits in Antong-chien have not yet crossed the Yalu.

The bandits who have been moving in Antong-chien are the mounted outlaws previously reported. There are no Russian troops in the district.

THE COAL TRADE.

A Raise in the Price of Fuel Oil is Anticipated.

The following is the report of the San Francisco coal market, for the week ending August 24th, issued by J. W. Harrison, the coal and metal broker.

During the week there have been two arrivals from British Columbia, 7,341 tons; four from Washington, 11,283 tons; one from Australia, 4,076 tons; one from New York, 844 tons; total, 25,744 tons.

When our present labor disturbances are settled there will be no difficulty in getting fuel expeditiously shipped to meet all urgent requirements.

ROUTE OF INDUSTRIAL PARADE DRAWN UP

Business Transacted at the Meeting Last Night—General Committee Meeting To-Morrow Evening.

To-morrow evening a meeting of the general committee in connection with Labor Day celebration will be held in the Pioneer hall.

The plan is as follows: Line up at the city hall, go along Douglas to Johnson street, down Johnson to Wharf, along Wharf to Yates, up Yates to City Hall.

The plan, if approved by the general committee to-morrow evening, will be the route of the great industrial parade, which will be the feature of the coming Labor Day celebration.

Everything so far points to the most successful Labor Day celebration yet held in Victoria. The parade, it is expected, will be participated in by about 2,000 people.

POPULATION OF N. CASSIAR.

Returns Would Have Shown Over Three Thousand People in Atlin, Dease and Porcupine.

J. W. McFarland, census commissioner for the Atlin district, reached the city on the Charmer last evening, and is at the Imperial hotel.

While, of course, unable to disclose the actual result of the census, Mr. McFarland admits that the returns, had it been available, would have shown a population of over 3,000 for Northern Cassiar.
