

bolts for
ploughs
&
chains

asked me to procure for them some
necessary bolts &c, which I did,
for their ploughs also some chains
for hauling logs with. They seemed
pleased with my visit and
commissioned me to inform
you fully of all their doings.

I consider that they have done
remarkably well this year and
have no doubt of their improving
greatly next season.

I have the honor to be

Sr.

Your obedient servant.

James M. McKenzie.
