President of the Faculty.....	W. J. ALMON, M.D.,
Dean.....	A. P. REID, M.D.,
Registrar.....	H. A. GORDON, M.D.

The Seventh Session of the Medical Faculty of Dalhousie College and University will be opened on Tuesday, the 21st of October, 1873, with a general introductory lecture. The regular lectures will commence on Wednesday the 22nd of October, and will be continued during the six months following.

The class tickets for the various courses are accepted as qualifying candidates for examination before the Royal College of Surgeons, London, the Universities of Edinburgh, McGill, Montreal, Harvard, Boston, and the New York Schools of Medicine.

Registration is necessary every Session—it is required upon entrance, or as soon afterwards as possible, and always before any class tickets are procured. The time fixed for closing the Register is annually on the thirtieth of November. Class tickets are payable in advance and will not be issued after the Register is closed.

In order to meet the requirements of the recent Medical Act of Nova Scotia, and the General Council of Medical Education and Registration of Great Britain, and also those of the Royal Colleges of Surgeons of England and Edinburgh, the Student must pass his Matriculation examination prior to the commencement of his Medical studies. Students wishing to pass this examination may do so at any time by giving two weeks notice to the Secretary of the Provincial Medical Board, Dr. T. R. Almon, or to the Secretary of the Medical Faculty.
