hats left after the season's business and they propose putting these on sale tomorrow at one small clearing price.

Guy D. Robinson, who has been chief clerk in the office of the general freight agent of the C. P. R. in this city, has STAINED MARBLE.

To remove a stain in a marble basin

To remove a stain in a marble basin put on the strain to just about breaking point, but don't smash it, and let me read the scale."

It seemed incredible that so much apparent strain was caused by a weight of less than ten pounds, but so it was, and the angler wondered.

"Now test your salmon leader and get a good working idea of the amount of a stain in a marble basin caused by dripping water apply with an old toothbrush a little pulverized chalk moistened with ammonia.

The nemove a stain in a marble basin take up his new duties. Mr. Robinson has discharged his duties with great acceptance and 's popular with his fellow workers and with the public. Many friends will be glad to know of his promotion to the Montreal office. His successor as chief clerk in St. John will be F. P. Tinker, travelling freight agent, who is also a popular and well

qualified officer. Two parties have been busy in Carleton lately with hard luck stories, collecting money from the charitably inclined. One was a woman who said she needed a certain amount to purchass a ticket to Halifax, and who claimed to be a company ments and the company ments are certain and who claimed to be a company ments are certain and who claimed to be a company ments are certain and who claimed to be a company ments are certain and who claimed to be a company ments are certain and who claimed to be a company ments are certain and who claimed to be a company ment and the company ments are certain and who claimed to be a company ment and the company ments are certain and the company ments are certain and who claimed to be a company ment and the company ments are certain and the company ments are company ments. o'clock yesterday afternon, when Miss Katherine McGoldrick, second daughter she had all accompaniments necessary to ensure her fair treatment, viz., a dear husband and sick daughter. She was later seen in Rockwood Park by one of her helpers. She appeared so joyful that it was hardly possible that she intended going to Halifax for some time at least. The other hard luck story was that of a ship-wrecked mariner who had lost his trunk and possessions when his ship went down off the main coast. He collected quite a sum from sympathetic people, but was seen by Rev. Mr. Fletcher who had met him before. He then went elsewhere with his little game.

tend against, and I dare say life to strain of perhaps four pounds. It felt more than that, of course, and fishermen won't believe it is not more until they are convinced against their will. But there is the fact.

"That is, of course, the art of fishing—to graduate your tools to your work so that you may be just within the breaking point whatever you are fishing for.

I had a friend at Lake St. John after the ouananiche once. He had heard of their pulling power, and brought along a thick sea bass short rod. Of course he got his fish.

"I had rather think with his thick lines and double leaders he swung them out over his head." I don't see that there is much fun about this, he said, and I quite agreed with him.

"I was fishing a Seotch river one year, when a friend of the owners came up to join me. Where in the world he got his outfit I couldn't say. But he had a proligious, heavy, un-very law had a proligious, heavy, un-very law in the surface of Caution." If Peary finds the Pole it will be because he risked more attemed. The foral belief of Canadis the pride's home were markedly beautiful and homan effort, has found it necessary, at times, to break every law in the "Code of Caution." If Peary finds the Pole it will be because he risked more attemed. The broad and Newman Streets.

125 Engine House No. 5, Main St., 255 Douglas Road.

127 Cor. Bentley St. and Douglas Are to establish as tore, the provided with him.

"I was fishing a Seotch river one year, when a friend of the owners came up to join me. Where in the world he got his outfit I couldn't say.

128 Cor. Portland and Camden Sts.

129 Cor. Fortland and Camden Sts.

120 Cor. Bentley St. and Douglas Are to establish a store in a field where competition dwarfs him. The dangers of a complex life are devenue—and the same tinkle of the blood which came to the fathers in the victories of pioneering comes, nowadays, to the best of pio
