HONOR YOUNG MEN FROM CORN HILL WHO HAVE ENLISTED

Corn Hill, N. B., Nov. 11.—A farewell reception was held on Monday last in the rooms of Corn Hill Division Sons of Temperance here in honor of those Corn Hill volunteers who were shortly to leave for Sussex and those young men who shall join the colors in a few days.

About seventy-five were present and all spent an enjoyable evening. Games were played during the first part of the evening. These were followed by a programme of recitations, brief speeches and music, both vocal and instrumental, of a patriotic nature. After which the members of the Corn Hill Women's Institute served cake and tea.

The citizens of Corn Hill are following very closely the details of this great struggle and realize that the need for men is very urgent and that this call has come to their own sons as well as those of others.

About fifteen from this vicinity have already enlisted and others intend doing so in a few days, while one of our young ladies—a trained nurse—has offered her services in that capacity.

They have the fullest sympathy of their many friends here, who only regret that it is not possible to accompany them, but who have resolved to do what they can here at home to help on this great and righteous cause.

Already much has been done by the people of Corn Hill in the way of entertainments, socials, etc., chiefly through the exertions of the Women's Institute to raise money for patriotic purposes. Kitting has been done and underclothes made for the soldiers and all have given liberally whenever patriotic contributions have been called for.

HARTLAND

Hartland, N. B., Nov. 11.—Native strawberries in November: Sounds strange, but on Monday Mitchell Buchanan, one of the pupils of the Ashland school, picked a number of nice ripe berries on his father's farm and gave them to his teacher, Miss Hilda Boyer.

Mrs. Warren Rideout, of Somerville, who was afflicted with an internal malady and submitted to an operation at the Woodstock hospital, failed to survive, and her death took place on Friday. The funeral was held from her late residence on Sunday, Rev. Geo. Kincaid conducting the service. Interment was in the family plot at Somerville. Deceased was 54 years of age, and besides her husband, is survived by several near relatives.

On Saturday Mrs. W. F. Thornton returned from Boston greatly improved in health. After visiting relatives in Lowell, Mass., Mrs. Vinal Thornton returned home on Saturday. On Monday, the 15th, the Women's Institute will meet at the home of Mrs. J. T. Carr. Miss Sadie Barnett will read a paper and there will

be several other interesting features. After a three months' visit in Arcola, Sask., Mrs. A. A. Kimball and son of Annapolis arrived home on Tuesday. They were accompanied by Mrs. James Wilson and four children from Kenora, Ont., who came to visit Mrs. Wilson's father, Mr. David Swenney, at Howard Brook.

At the home of Mr. and Mrs. Benjamin H. Lunn, Summerfield, on Wednesday, November 3, there was a very pretty wedding, when their daughter, Miss Willa, was united in marriage to Mr. Beecher Lunn. Rev. G. A. Ross of Florenceville, performed the ceremony in the presence of a number of guests. Misses Mary and Jacquelin Squires, cousins of the bride, attended her. Mr. and Mrs. Lunn will reside at Summerfield.

Rev. P. J. Quigg on November 3, performed the ceremony which united in marriage Miss Bessie Maybelle Clark to Mr. Arthur Durost. The wedding took place at the home of the bride's parents, Mr. and Mrs. B. R. Clark, at Mount Pleasant. The young couple will reside at Bath.

IF YOUR THROAT IS HUSKY, CATARRH MAY BE STARTING. A weak or irritated throat is the first step towards Catarrh. Everything depends on your remedy. A cough mixture slips quickly over the weak spots, drops into the stomach and does little but harm digestion. Its altogether different with Catarrhose. It cures because it gets right at the trouble. You inhale Catarrhose, breathe in the vapor of healing balsams that strengthen and restore the weak throat tissues. You'll never have colds or coughs. Throat trouble and Catarrh will disappear with the use of Catarrhose. Get the large dollar outfit which includes the inhaler, it lasts two months and is guaranteed to cure. Smaller sizes 25c., and 50c., sold everywhere.

Wrong Party Served.
In the case of Rachel Saxe vs. H. E. Price, His Honor Judge Armstrong, on the application of Austin A. Allen, has granted a summons returnable on the 19th instant, to show cause why the judgment signed against the defendant should not be set aside. It appeared that the defendant had not been served with the writ of summons; the sheriff apparently having served the wrong party.

IF KIDNEYS AND
BLADDER BOTHER

Take Salts to flush Kidneys and neutralize irritating acids.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferers are in constant dread, the water passes some times with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folk call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the delicate parts of your urinary organs which set up normal action.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders, caused by uric acid irritation. Jad Salts is splendid for kidneys and cause no bad effects whatever.

Here you have a pleasant, effervescent, lithia-water drink, which quickly relieves bladder trouble.
