THE NEEDS OF A SOLDIER ARE VARIED

Supplies which compose equipment are numerous — Cost of supplies for Canadian Forces for past six months.

Ottawa, Feb. 12.—In the past six months the Department of Militia has bought supplies to the value of \$18,500,000 for the Canadian forces; besides harness, saddlery, blankets, etc., for British and foreign governments to the value of \$4,400,000. The total number of contracts entered into is estimated at fully ten thousand. These are of the most varied character, including ordnance, small arms, ammunition, hardware, cutlery, vehicles, blankets, clothing of all kinds, drugs and medicines, surgical supplies, food for man and beast, leather goods of many kinds, brushes and brooms, field glasses, and practically an endless variety of things necessary to fully equip nine thousand troops.

The department, in buying most of its supplies, has arranged for a reserve of one hundred per cent. in the important items down to thirty per cent. in other times, as required by the war office.

The first batch of requisitions for supplies for clothing, uniforms, etc., was made on August 10 last. These called for sixty-five thousand pairs of ankle boots, thirty-five thousand caps, three thousand cloaks, fifteen thousand great coats, forty thousand jackets, thirty-three thousand pairs of puttees, fifty thousand suits of service clothing, one hundred thousand suits of underclothing, one hundred thousand pairs of flannel shirts, one hundred thousand pairs of socks, and supplies of more than twenty other descriptions.

DEADLY ANAEMIA

Nine Women and Girls Out of Every Ten Are Afflicted With This Trouble.

It is an unfortunate fact that nine women and girls out of every ten are afflicted with anaemia—which means bloodlessness—in one form or another. The girl in her teens, the wife, the mother and the matron of middle age all know its miseries. To be anaemic means to be pallid, with dark marks under the eyes, to be breathless after slight exertion. You feel worn out and depressed all day. You have no desire for food and often cannot digest what little you do take. Headaches, backaches and sideaches make life miserable. If you sleep at night you do not feel refreshed in the morning and are utterly unfit for the day's duties. If neglected, anaemia almost surely leads on to deadly consumption. Renewed health can only be obtained through the use of Dr. Williams' Pink Pills—the most reliable blood enricher ever discovered. These pills actually make new, rich, red blood; they bring brightness to the eyes, and the glow of health to pale cheeks. They have literally saved thousands of women and growing girls from the grave, and what they have done for others they can do for you if given a fair trial. Here is the proof. Mrs. Wm. Kierman, Watrous, Sask., says: "I have used Dr. Williams' Pink Pills with wonderful results. I suffered for upwards of two years with anaemia in a severe form, and was doctoring all the time with no benefit. I was so weak I could scarcely walk. I suffered from severe headaches and at times from backaches that were almost unbearable. The trouble affected my digestion, and this caused additional discomfort. Finally through the persuasions of a friend I began the use of Dr. Williams' Pink Pills, and I shall ever be grateful that I did so, as after using nine boxes I was fully restored to health. I would earnestly urge all anaemic women and girls to use Dr. Williams' Pink Pills for life's confidant from my own experience that they will renew their health." These pills are sold by all medicine dealers or may be had by mail for 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

MR. AND MRS. G. S. MAYES
MARRIED THIRTY YEARS

An Enjoyable Evening Spent at Their Home— Handsome Gifts.

Mr. and Mrs. G. S. Mayes celebrated the thirtieth anniversary of their wedding yesterday, and last evening their friends called at their home, 175 City Lane to assist them in the proper observance of the day. Rev. Dr. J. A. Morrison, pastor of the First Presbyterian church, West St. John, on behalf of those present, presented Mr. and Mrs. Mayes with thirty beautiful roses, some costly silverware and other articles. In making the presentation Dr. Morrison wished Mr. and Mrs. Mayes many more years of happiness. During the evening two of the gentlemen present danced highland dances. There were other musical numbers and Mrs. Mayes delighted those present with a vocal rendition of "A Perfect Day."

PHENOMENAL SEAT SALE FOR PERFORMANCE OF "A MISFIT HERO"

Indications point to most successful Amateur production ever staged in this city.

The advance sale of seats for the production of "A Misfit Hero," for the benefit of the Red Cross Society, at the Opera House, Monday, Tuesday and Wednesday nights of next week, has been something phenomenal. The production is under the auspices and direction of the New Brunswick Graduate Nurses' Association. A strong local cast, including Mr. Alfred E. McGinley, Frank Corr, Ernest March, George Morris, J. I. Robertson, Miss Ethel Perley, Miss Beaulieu Irvine, Miss Kathryn Walker, Miss Sarah Collins, and others, will present the play, which is a guarantee of a meritorious performance. Incidental to the play, Elmer A. Belding of the 6th Mounted Rifles will render a stirring patriotic song, "The Bugle Call," the lyrics for which were written by A. M. Belding, Esq., of St. John and the music composed by Walter H. Belding, Musical Director of the Masonic Orchestra of Cleveland, Ohio.

Such a combination as above outlined, a splendid play, well acted by a picked cast of the best local talent in this city—under the patronage of such a well known organization as the Graduate Nurses' Association, and for the benefit of the Red Cross—deserves the attendance of every person in the city who can possibly attend.

Monday night is to be Governor's Night and will be honored by the attendance of Lieut. Governor Wood, also Mayor Prink. Tuesday night will be Red Cross and Nurses' Night, and Wednesday will be Military Night, when all the military staffs and the city will be present with their staffs, in full uniform.

WEST ST. JOHN HOUSE BURNED

Harry Russell Lost Valuable Furniture in Fire

Yesterday afternoon Mrs. Harry Russell, who resides in Market Place, West St. John, had only been absent from her home a short time when she returned and found her dining room a mass of flames. John Standing was passing at the time and sent in an alarm from box 24. When the firemen arrived the fire had gained considerable headway, but after some hard work with a couple of good streams of water the fire was extinguished. The dining room was completely gutted and the sideboard and other furniture in this room was totally destroyed, while the furniture in the other rooms was badly ruined by smoke and water. There was a stove in the dining room, but Mrs. Russell who first discovered the flames does not know how the fire started in the room. Much sympathy is expressed for Mr. Russell. He is a ship laborer and about a month ago was injured while at his work and is still unable to work being obliged to walk about on crutches. He had \$300 insurance on his furniture but his loss will prove to be a great deal more than the amount of insurance.

Isaac McLeod occupies the upper flat of the house and his furniture was somewhat damaged by smoke. He carries \$300 insurance.

The building is owned by Mrs. Warwick and the damage is fully covered by insurance.

House Raided.
Last night about 9:30 o'clock Detectives Kilien and Lucas, with special officers Gill and Young, made a raid on the hotel house, 111 Bedford street, and arrested three women. Elizabeth Morrison, aged 29, is charged with being the keeper of a disorderly house, while May Johnson, aged 26, and half-sister of Morrison, and Kate Hamilton, of St. John, aged 35 years, are charged with being inmates. The trio were looked up at central station and will appear in the police court this morning.

Suffered Intense Pain in Her Back. Could Hardly Do Her Housework.

If a pain attacks you in the back "stop and think" what it is and what causes it. If the kidneys are at fault—and in a large majority of cases of pain in the back they are—doctor them at once, and doctor them persistently, as it is impossible to have a well along back unless the kidneys perform their functions properly.

Don's Kidney Pills cure all forms of kidney trouble, and cure them to stay sure.

Mrs. H. F. Jacob, Lavant Station, Ont., writes: "I take pleasure in telling you how much good your medicine has done for me. I have been suffering from pains in my back, and was so bad I could hardly do my housework. My kidneys were also bothering me a great deal. I tried several kinds of patent medicines, and was almost discouraged, and was looking for some other kind of medicine to try when I noticed your medicine in the paper. I bought a box, and I am entirely cured, and I have not been bothered since. I will not hesitate to recommend them to all I know."

Don's Kidney Pills are 50c a box, or 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont. When ordering direct specify "Don's."

EVER POPULAR PLAY "EAST LYNNE" NEXT WEEK'S BILL AT OPERA HOUSE

Young-Adams Co. take 3 days' vacation — Clever Child Actress and new Vaudeville added attractions.

Today's performances at the Opera House, matinee and night, will be the last opportunities to see the Young-Adams Company present that good western comedy drama, "The Gambler and the Girl." This is not a sensational, "blood and thunder" melodrama, as one might perhaps think from the title. The play was written by McKee Rankin, from one of the famous Bret Harte stories, and is full of heart interest and good clean comedy. Children will enjoy it just as much as the "grown-ups." As a special feature tonight, the management is going to give away a full ton of best quality stove coal to some person in the audience. Of course, the coal will not be on the stage, and if you are the fortunate person, you will not be obliged to carry it home with you; however, an order will be given to you and the coal will be delivered at any place you direct, the first thing on Monday morning.

The Young-Adams Company will take three days' vacation the first of the coming week, giving up the house to a local production. This will be the first time the company has laid off since last August. They re-open at the Opera House again on Thursday afternoon, Feb. 18th, presenting that well-known but ever popular play, "East Lynne," for Thursday matinee and night, Friday night and Saturday matinee and night. Some new vaudeville acts join the company next week. A phenomenal child actress, Little Marguerite, will make her first appearance with the company in the production of "East Lynne." The young lady is very proud of the fact that she is a native of the place, being born in London, Ontario, and brought up in Toronto.

INVENTORS TO THE FRONT SINCE WAR BEGAN

Militia Department besieged with new devices — Some of them may prove useful.

Ottawa, Feb. 12.—A large number of inventions, running into the hundreds, have been offered to the Militia Department, during the past few months, dealing with munitions of war, etc. A considerable number of these offered have been investigated by the department, and a number which had possibilities in them have been submitted to the war office, where the facilities are greater for carrying out proper tests. One of the inventions, at least, is now being adopted in connection with the Canadian troops. That is the bullet-proof trenching implement, with which Major General Sam Hughes is identified. Over 25,000 of these have already been delivered at \$1.25 each, and more are on order. The implement was carefully tested at Valcartier, and was found bullet-proof.
