SMART STREET DRESSES of Silk and Tri- colette

All the new models on which Dame Fashion has set her seal of approval. Crisp Taffetas, soft Messalines, lustrous Radium Crepe and plain or fancy stitch Tricolette.

Such a wonderful variety of designs too, to choose from. The Taffetas have ruffles of self material; plaitings and bouffant drapes. The Messalines have tun-
nic or coat effects,

and the Radium Crepes are made with that soft draping which gives a slender line to the stout woman and the pretty clinging silhouette to the slight figure.

The colors are delightful rich browns, silvery gray, attractive taupes, youthful copen and peace blue shades, navy and black. Sizes 16 years to 44 bust measure. \$25.00 to \$75.00.

Foulards are also in evidence and come in navy, black or copen with white figure. Some are draped with Georgette. Prices \$40.00 to \$85.00.

The Tricolette Dresses are in coat effects or in simple one-piece designs, embroidered in self shades or gold, or prettily beaded. The colors are navy, brown, copen. Prices \$58.50 to \$97.50.

One especially smart Sport Dress of Tricolette has a coat of orchid with thread of silver over a white skirt and is finished at waist line with heavy orchid silk cord girdle and large tassel. Price \$90.00.

While you are visiting our city, come in let us show you these new things.

The Best Quality At A Reasonable Price.

Are Your Glasses Right?

It's not enough that you should wear glasses—you should be sure that they are right,—that they fully correct the defects in your eyes and that they fit your face properly.

There's one final test in regard to glasses,—do they show results?

If you've been troubled with headaches, do your glasses stop them?

If your sight has been poor, do your glasses give you good vision?

If the answer to these questions is "Yes" you may be satisfied with your glasses; if not, better let us help you get the right kind.
