OBITUARY.

GEORGE WILSON.

Early in the morning of Monday, Mar 29th, there passed away from our little band of Christ's disciples at Douglas, one of its most loved and respected members. Bro. Wilson, tho' having enjoyed for years the pardoning love of God, met in class for the first time since my coming to this circuit. It was on August 17th he met with us first, at the close of the morning service, and I can well remember with what simplicity and assurance he spoke of his conversion and continued faith in Christ. He was then fast coming under the power of that most hopeless of all diseases consumption. In past years he carried on extensive and successful lumbering operations, and thro' the exposure which is evident to such a business, the disease was contracted. Thro' the early part of the winter he rapidly wasted away. I had several conversations with him on eternal things, and he always expressed himself as resting in hope. He had no fear, no doubt, no regret in anticipation of death, save the natural distress at the thought of leaving his wife with her young charge of five children. At his own request not many weeks before his death, some of the members were invited to his home to receive the sacrament with him, and the Spirit being present in a very sensible degree, I ministered the bread and wine to the little company. He is now feeding upon the spiritual manna and the water of life. "Thanks be unto God which giveth us the victory."

"There is no death! Tho' stars go down To shine upon some fairer shores, And bright in heaven's jewelled crown They shine forever more."

M. R. KNIGHT, Gibson, April 17th, 1880.

RHEUMATISM.

I had for some years been very much troubled with Rheumatic pain, and weakness in my knees, so that it was with great difficulty that I could walk about; and from the failure of every thing I had tried, I had despaired of ever finding any thing that could cure me: but, by the advice of a friend, I gave GIBSON'S PAIN EXADIATOR a trial, one bottle of which have completely cured me, as I have not felt any return of that complaint since using this medicine, more than seventeen years ago.

MCCALLUM'S COMPOUND GENTIAN & TARAXICUM Blood and Liver Bitters.

This valuable preparation combines all the medicinal virtues of those articles which the leading Physicians and Chemists of the day have proved to possess the most safe and efficient alterative properties for the cure of Liver Complaint, Dyspepsia, Indigestion, Kidney Complaint, Constiveness, Piles, General Debility, Loss of Appetite, Painness of the Stomach, Pains in the Side and Back, Scrofula, Ulcers, Mercurial affections, and all diseases originating from impure Blood and diseased Liver and Stomach.

TESTIMONIAL. We have seen and used in our practice the prescription for McCallum's Compound Gentian and Taraxicum Bitters, and can recommend them as a good tonic and alterative, which may safely be used as a family medicine in cases of illness arising from sluggish liver and impurities of the blood.

P. W. SMITH, M. D. G. B. OAKES, M. D. C. H. MORSE, M. D. J. W. HARRIS, M. D. McCALLUM'S GENTIAN AND TARAXICUM BLOOD AND LIVER BITTERS, PRICE \$1 PER BOTTLE. Also Put up in boxes, sufficient to make Two Quarts of Bitters, which will be sent by mail to any address on receipt of \$1. Directions for making are enclosed in each box.

Notice.—It is claimed that these Bitters are superior to anything before offered the public, for the reason that they are made from a prescription recognized by nearly all Physicians to be one of the best known purifiers of the blood; and that the Bitters usually offered the public are composed mostly of cheap whiskey, while the Gentian and Taraxicum Blood and Liver Bitters are composed of roots and plants most used by Physicians in their practice, and can be made by any person (see directions accompanying each box) and only enough spirits added to keep them from spoiling. Address, J. A. McCallum, Digby Drug Store, Digby, N. B. Mar 12 3m

THIS NEW ELASTIC TRUSS Has a Pad differing from all others, in that it is made of a special material, which is soft and pliable, and will conform to the shape of the body, while the old trusses were made of stiff materials, and were not only uncomfortable, but they were also liable to chafe the skin, and to give rise to inflammation. It is the best and cheapest medicine ever offered to the public. Mothers will find it invaluable in the case of their children. It should always be kept near at hand in every household. Price 25 cents.

EVERY HOUSEHOLD should have a bottle of FELLOWS' Speedy Relief. For Sudden Colds and Sore Throat no remedy has ever been discovered to equal it. As a liniment it will cure Rheumatism, Neuralgia, Burns Bruises, and wounds of every description. It is the best and cheapest medicine ever offered to the public. Mothers will find it invaluable in the case of their children. It should always be kept near at hand in every household. Price 25 cents.

WELLAND CANAL.

Notice to Bridge-Builders.

SEALED TENDERS addressed to the undersigned (Secretary of Railways and Canals) and endorsed "Tender for Bridges, Welland Canal," will be received at this office until the arrival of the Western Mails on TUESDAY, the 16th day of JUNE next, for the construction of swing and stationary bridges at various places on the line of the Welland Canal. These for highways are to be a combination of iron and wood, and those for railway purposes are to be of iron.

Plans specifications and general conditions can be seen at this office on and after MONDAY, the 31st day of MAY next, where Forms of Tender can also be obtained.

Parties tendering are expected to have a practical knowledge of works of this class, and are requested to bear in mind that tenders will not be considered unless made strictly in accordance with the printed forms and—in the case of firms—except there are attached the actual signatures, the nature of the occupation, and residence of each member of the same; and further an accepted bank cheque for a sum equal to \$250 for each bridge, for which on offer is made, must accompany each Tender, which sum shall be forfeited if the party tendering declines entering into contract for the work at the rates and on the terms stated in the offer submitted.

The cheque thus sent in will be returned to the respective parties whose tenders are not accepted. For the due fulfillment of the contract the party or parties whose tender it is proposed to accept will be notified that their tender is accepted subject to a deposit of five per cent. of the bulk sum of the contract—of which the sum sent in with the tender will be considered a part—to be deposited to the credit of the Receiver General within eight days after the date of the notice.

Ninety per cent. only of the progress estimates will be paid until the completion of the work. This Department does not, however, bind itself to accept the lowest or any tender.

By order, F. BRAUN, Secretary, Dept. of Railways and Canals, Ottawa, 29th March, 1880, till June 15
