ENTERPRISE.—The two pickle factories at Gaspean have begun operations and are now buying material for pickling. Both have a prospect of doing a good business and we wish them abundant success.

EARLY CLOSING.—The plan of early closing seems to be meeting with very general favor. The evenings are better enjoyed by the merchants without inconveniencing purchasers to any great extent.

ST. JOHN'S CHURCH.—Next Sunday, August 12th, at eleven a. m., mass, sermon and celebration of holy communion at half past seven p. m., evening and sermon on "The Three Creeds of the Church."

B. G. Bishop sells Greenhead lime at \$1.50 per cark. REMOVAL.—We understand that Mr. E. W. Sawyer has rented the residence belonging to the College on Water St. and intends moving into it about Aug. 20th. It is now undergoing repairs under the hands of B. G. Bishop.

BASEBALL.—Another match between the First Nine of the Wolfville Baseball Club and the Valley Nine is to take place this afternoon on the ground of the former. An interesting game and some good playing may be expected.

NEW RESIDENCE.—Mr. George Thompson is making preparations for the erection of a dwelling on the site which he has lately occupied as a summer residence. Messrs Rhodes & Curry have the contract and the new structure will no doubt be an ornament to our town.

5 cases Gem Jars just in, at B. G. Bishop's Very low. BUILDING.—We understand that Mr. O. D. Harris, having found his present store too small for his business, intends building a new and commodious store on the premises which he lately purchased. It is to be 65 feet long and will be fitted up with all the modern improvements.

HAY MAKING.—The weather for the past week has been very dull and farmers have been considerably hindered in haymaking in consequence. However the crop being about two weeks later than usual is not injured much so far and in many places is yet growing rapidly.

WANTED.—1000 Doz. Eggs per week, highest price paid cash or trade at E. C. Bishop's. SHIPBUILDING.—It is reported that C. R. Burgess, Esq., of this place, is about beginning the construction of a 2000 ton ship at Kingsport. This will be a boon to the people of that place. On account of the low freights very little shipbuilding has been done of late and now ships are scarce and freights high. Oil freights have doubled within the past few months.

JUST IN.—Roofing Paint, Carriage Paints, leads, glass, &c. &c., for sale low at B. G. Bishop's. BURGLARY.—Sometime during last Sunday afternoon or evening the store of E. C. Bishop was entered by burglars and about \$5.00 in cash was taken from the cash drawers. The robbers gained an entrance through the pump-room and forced open the door communicating with the dwelling house. Mr. Porter and family were away at the time and returned about 9.30 in the evening so that the robbery must have been committed early in the evening. Nothing was missed except the money. Every effort should be made to capture the thieves who have been pestering our people for the past few weeks.

Parker, who is to be congratulated upon the perfection he has attained in the growing of a large variety of small fruits, comprising currants of various kinds, raspberries, strawberries, Gooseberries, etc.—Herald.

The Juniors Play. A very interesting game of base-ball was played on the Wolfville grounds on Monday afternoon last between the junior club of Wolfville and Kentville. The game was to have taken place on Saturday but was prevented by the rain-storm. Quite a number of spectators assembled on Monday to witness the match. The teams appear to be pretty evenly matched but the Wolfville boys seemed more familiar with the game and at the close led the score by four runs. Good playing was done by both teams and both give promise of doing splendid work in the future if they continue to play together.

Following are the players and scores: PLAYERS. Wolfville: W. Bishop 1 b, E. Murray 2 b, W. Williams 2 b, H. Masters p, W. Farrell 3 b, S. Pratt f, J. Christie f, B. Spencer 1 f. Kentville: H. E. We wish him success in his new undertaking.

The newest and latest exchange is the Enterprise, a neatly gotten up and new 8 column paper just started by Dennis Bros. at New Glasgow. It has the right tone and we predict for it a successful career. There is always room for the right kind of a paper. Shake!

The Springhill Independent continues bright and new. The "patent inside" has been discarded and the paper is now all filled with "breezy" matter. The paper presents a good appearance. Long may she wave!

The Beddoek Island Reporter has been added to a Sydney company who will publish it at Sydney in the interest of the Liberal party. This week's issue will be the last under the old management.

BERWICK TIMES. NEWS, NOTES, JOYTING, RECAPITULATION.

Rev. D. O. Parker is our representative in Berwick, and is prepared to take orders for job printing and advertising. We are constantly adding to our plant, and will give prompt attention to all work. Get our prices.

Seventeen years ago, E. C. Foster, Esq., of Berwick, visited a Camp Meeting in the United States and so greatly enjoyed the services that he moved for the establishment of a Camp Meeting in Nova Scotia.

In company with H. E. Jefferson, Esq., also of Berwick, localities were visited and a choice made of the site where services are now held. An effort was made and a company formed styled "The Berwick Camp Meeting Association." This company has been incorporated under the title of the "Methodist Camp Meeting Association of Nova Scotia," with constitution and bye-laws well adapted for its work.

At first great prejudice prevailed, and although very large congregations gathered, many unkind and even untruthful statements were made. Each year, however, these have become less until now with improvements made by the Association and increasing knowledge of the benefits resulting from this annual gathering, an unkind remark is a rare thing and arises from ignorance of the actual condition of affairs.

Improvements have been made each year on the grounds, buildings erected, better light provided and as far as the financial condition has warranted, the Association has done all it could to increase the attractiveness of the place, and the comfort of those who gather there to worship God. At their annual meeting last week the erection of buildings for lodging those who come from a distance or who have not provided tents for themselves, a new diving-ball and an additional place for holding services was decided upon. The Association has about twenty-two acres in their beautiful grove. One-half of this is enclosed with a tight board fence. Provision is made for the horses and carriages of those who may need such accommodation. Formerly expenses were met by collection. Since erecting the fence a small fee of 5 cents is charged for admission or 25 cents for a ticket admitting to all meetings of the week. The Association has already set out a large number of hard wood trees and intends setting out others each year.

The rain almost continuous during the past week has no doubt greatly interfered with the attendance, but it has been better than could be expected, and on Sunday probably four thousand persons passed through the gates. A large number of ministers have been present and three sermons have been preached each day. Other services have been held each day well filled. The Rev. Mr. Stronach, of Halifax, has had oversight of the meetings, which have been of a very interesting character.

Since the formation of the Association many of those who look an active part in the work have passed away. In this vicinity, Newcombe Bent, Rolt Collins, Geo. W. Fisher, and others have gone to their reward. Some very notable Christian workers have taken part in the services. Dr. and Mrs. Palmer, of M. E. Church, U. S., Dr. Pentecost and Stebbins of Baptist church, U. S., &c.

The officers for the ensuing year are the Rev. Mr. Pickles, President (re-elected); Rev. Mr. Tuttle, H. E. Jefferson Esq. (re-elected); J. S. McNeil, Vice-presidents, Rev. W. Ainley, Secy.-Treas. (re-elected). The President and Vice President Jefferson are probably the only attendants who have never missed a Camp Meeting nor a day since first opened.

Mrs. Baxter, of Mieligan, U. S., will lecture in the hall, Weston, next Tuesday evening, and in Berwick on Wednesday evening. The admission fee will be only 15 cents, and children 10 cents. As her lectures are not only interesting, but pure and uplifting we hope all who can will enjoy this rare treat.

Mr. Parker has a fine show of furniture in his new warehouses. He represents this paper in Berwick and takes subscription for it and orders for advertisements and job printing.

J. S. McNeil, M. P. P. for Digby, is one of the vice-presidents of the Berwick Camp Meeting and was here camping out during the week.

Divine service next Sunday at 3 p. m. All seats free. Rev. M. C. WADSWORTH, Incumbent.

The Berwick school will resume work on Monday the 20th inst.

Dandruff, Baldness, Thin or Grey Hair. Everyone knows how disagreeable it looks to see Dandruff falling from the head to the shoulders of either lady or gentleman. The head may be washed ever so often but it will not clean out this evil. The best way to get rid of the affliction is by the application of Simson's Lintiment, say three times a week, just before retiring at night, first washing the head thoroughly with warm water and castile soap. It will cost you but 25 cents to give it a trial, and who but could take pride in a fine glossy head of hair without any appearance of Dandruff. Mr. E. Renault, agent of Crown Lands, St. Thomas, Quebec, writes: "I have used Simson's Lintiment as a hair invigorator and can certify to its wonderful effect for the growth of hair and cleansing of the scalp. I feel assured it will in nearly every case prevent the hair from coming out."
