

THE GOVERNMENT

is attempting to raise tuition for foreign students by \$300 per term. While not denying the harmful effects of this increase, they maintain that the "silent majority" of Albertans are demanding it.

THE PUBLIC

is not demanding it. Chambers of Commerce, labour organizations, church and community groups, educators and students have all opposed it.

THE U OF A

Board of Governors has refused to implement it. They have been supported by the Senate and GFC. The government has threatened to change the Universities Act to force the U of A to charge the fee.

THE STUDENTS

must show that there is strong opposition. The "silent majority" does not exist! We must show ourselves publicly. Contingents are coming from other universities and colleges in Alberta.

THE RALLY
