MT. A. DEADLOCKS U. N. B. AS CO-EDS WIN

RETURN GAME TO BE PLAYED NEXT WEEK

In one of the biggest upsets of the Basketball season, a hard fighting quintet from Mount A. showed themselves to be serious contenders for hoop honours by tying the strong Red and Black five 27-27. It was only Garland's whip-like shot with but 10 seconds to go, that saved the home team from defeat.

The game was fast at all times but lacked polish in passing and shooting which had been the feature of last week's New Hampshire game. Mt. A. in order to keep down the score, risked fouls being called against them and resorted to rough play. The result was that over half U. N. B.'s points during the first half were from foul shots. Stothart's seven shots were garnered from eight personal fouls.

The big noise of the evening was Robinson who moved in for 14 points. Big Ted Owens for the home team played an outstanding game and was high scorer for his team with 18 points.

With a matter of a second to go Neil Elgee brought the crowd roaring to their feet with a shot that rolled dangerously around the rim but through some miracle failed to go in the basket.

U. N. B. Varsity: Demers 2, Elgee 4, Stothart 7, Owens 8, Garland 4, MacDonald, Magnusson, Connely, MacWilliams, Faulkner.
Mt. A. Varsity: Titus 2, Keefe 2, Ketchum 8, Anderson, Robinson 14, Fear, Quarterman, Marshall, Tucker.

Seniors Nip Sophs In Interclass Loop

Interclass Basketball
Seniors vs. Sophs.
32 vs. 21

Continuing their undefeated string of victories in interclass ball the Seniors trounced the highly touted Sophs to the tune of 32-21, thus assuring themselves of the league championship. Although the game was played on the small court it was fast and thrilling with the seniors controlling the play and the sophs capitalizing on the breaks. Great was the surprise when at half time the Seniors found they were only 3 points up on the sophs. The Sophs then proceeded to tie up the game at 10 all and then take the lead on a foul shot by Meltzer. Their joy was short lived however when the Seniors pressed hard with Scott, True and Weyman dropping them in from all angles. True led the scoring with 14. Davidson of the sophs was with F. Scott and Weyman registered 5 apiece for the Seniors while Brooks, MacLean

But Lose Round 39-26 To Garnet and Gold

The Co-eds defeated the Mount A. ladies basketball team Friday aite to gain the only victory of the evening. Mount A. however took the round by a total score of 39-26.

The win Friday nite for U. N. B. was not a decisive one, and the Mount A. Co-eds displayed much of the power which gave them their victory at Sackville.

Price, Harquail and MacLaggan played a hard game on the front court as did Law, Ritchie and Pickard back of the foul line.

Betty Evans played an outstanding game for Mt. A. getting 9 of their 13 points. Throughout the game their forwards made clever use of scoring plays.

The line-ups:
Mount A.—M. MacDonald 4, G. Wry, B. Evans 9, Coates, Teasdale, MacPhail, Foster, Marks.

U. N. B.—C. Harquail 2, B. Price 6, E. MacLaggan 7, M. Vince 2, M. Long, J. Kinnie, I. Pickard, B. Law, M. Dohaney, D. Ritchie, F. Bearisto.
Final score—U. N. B. 17, Mt. A. 13.

... From The ... Coach's Angle With HOWIE RYAN

The Freshman Hockey team is to be congratulated for winning the coveted Interclass title. The presentation of the cup, (1st year to be presented) will be made Friday night during the interscholastic tournament, and Freddie Murray is asked to be present in order to receive the cup on behalf of the Freshman team.

The Co-Eds completed a good week-end by defeating Mt. A. 17-13 and on Monday defeating the High School in a league fixture by a score of 35-22.

The Men's Varsity team had a decided setback on Friday when they were held on their own floor by Mt. A. to a 27-27 draw. It seemed that they couldn't do anything right. Passes and shots were decidedly off, and they were checked closely by Mt. A. who played an unorthodox type of ball.

The team as a whole played poor ball, throwing wild passes and shooting everywhere but at the basket. Mt. A. played a very rough and close checking game and took advantage of every break. Mt. A. with the addition of Tiny Tits and Keefe have a well balanced team. They are good shots and wait for the breaks. U. N. B. may be state but practices for the next two weeks will be definitely speeded up. The return game will be played at

Boyd and Baldwin collected two. For the sophs, Cummings 6, Elgriede 4, Acker 2, Meltzer 1.

Frosh Win First Ryan Cup

Edge Juniors by 7-6 Score

In the classic interclass hockey game of the season, the powerful Freshman hockey team edges out the league champion Juniors 7-6 and clinched the Ryan Cup emblematic of hockey honours.

In the early part of the game the Juniors lost the services of Jake Wicks who was taken to the hospital after a collision with another player.

MacWilliams led the Freshmen with four goals and played a fine game all the way. Smith scored twice and Baird once. Price in goal saved the day more than once for the winners. The losers were led by Dave Stothart's four goals and a swell game all the way. Dohaney a bulwark on defence and a 60 minute man blazed in one goal. Ferris scored the other.

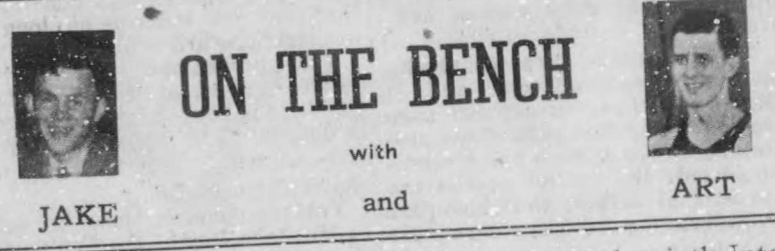

In the second game of the afternoon the powerful Alexanderites slammed in twelve goals and whipped an interclass team 12-5. Hunt and Spears had three goals apiece. Matheson had two, Hemming, Hoyt, Leech and Carey had one each. The winners looked really good and should show up well in the remaining games.

Crawford, little high school star, filling in for the losers Gay Stewart in for four net-denters. Bell scored the other.

C. U. P. SPORTS REVIEW

In the first game of a triple header Junior Varsity swept over a game team from Alexander College with a 40-22 trimming. However they lost to the Woodstock High School 36-26 for their first loss in three seasons. McGill University is on the war path to raise another \$100,000 to be added to the \$400,000 Memorial Gym fund. U. N. B. president Dr. Gregg is studying the situation for a Memorial Stadium for the Hillmen. New Brunswick's annual interscholastic tournament in the Beaverbrook Gym will provide a chance for college coaches on the look out for future material. This column is picking Woodstock to win the championship. Saint John the consolation.

Mt. A. March 8.
The U. N. B. Boxing team will leave for Saint John on Monday to compete in the Amateur Boxing Championship of Saint John sponsored by St. Peter's C. Y. C. under the direction of Johnny Vaughn.

WELCOME HIGH SCHOOLS OF THE PROVINCE TO THE SIXTH INTERSCHOLASTIC BASKETBALL TOURNAMENT TO BE HELD IN THE BEAVERBROOK GYM. WE HOPE YOU HAVE A LOT OF FUN HERE AND SEE SOME GOOD BALL.

Two of Woodstock's top men were declared ineligible early last week. This is a tough break for the Red Raiders. With things as they are we figure Fredericton High should come out on top. McAdam should be right in there with Fredericton in the Championship game.

The local basketball upset of the year was the tie score of the Mt. A. game. Our boys were certainly off and up against a rough and very aggressive ball team. The boys from the Marshes were an inspired team and we feel sure they were playing away over their heads.

Ted Owens, Captain of the team, had this to say about the game, "We got that good one out of our systems last week." (Nashua). Dave Stothart said, "The old machine broke down. A little oil in the right places and we'll be ail set for the return game, I hope."

On March 4th, the boxing team goes to Saint John for a return engagement with the foggy city mittmen. These tuneup fights should get our boys some fine experience for the Intercollegiate meet to be held in our gym on March 14th.

Once again, as old man winter let the full force of pent-up strength out, the need for a covered rink at U. N. B. was shown. The hockey team should be getting in shape for their series with St. Josephs. Instead they watch the rink and wonder how many bulldozers would be needed to clear the tons of snow off the ice.

Congratulations Frosh, winners of the Interclass Hockey League and holders of the Ryan cup for 1946.

U. N. B. Meets St. Joe.

Snow Prevents Needy Practice

Despite the fact that they have had one work out in the past week and a half U. N. B.'s promising hockey team will tangle sticks on Wednesday, Feb. 27 with St. Joseph's "Gaudets" for the right to play off for the Maritime title.
Hard luck has struck the hockey men once again as they have been unable to practice due to the con-

tinuing snow storms that have made skating impossible. U. N. B. will have Moffit in goal. Plummer, Wade and Fulton on defence and two forward lines of Stuart, Sanson, Ross and Hicks, Cyr and Covey. Wetmore will be a spare.
