

# Red Bombers Shut Out St. Dunstan's, 14-0.

Last Saturday afternoon in Charlottetown the Red Bombers added a ball control running attack to their usual strong, alert defense in their game with the SDU Saints. The result was a 14-0 Bomber win in a slow moving, unexciting fixture.

line, the Bombers paced by the running of Harding and Eddy, Eddy running for two first downs, rolled down to the SDU 1 where Logie bulled over for the TD. Place kicker Bob Cooper's convert was good making the score 7-0. The teams battled back and

second scoring drive of the game. Cunningham started things moving returning a St. Dunstan's punt 23 yards to the Saints 32. From there the Bombers scored in 9 plays with Harding running for two first downs and MacPherson rolling out from the nine for the score. Cooper again converted making the score 14-0.

SDU 4 where a revived SDU defence held on third down. Gaining steadily on the ground throughout the game, the Bombers came close to scoring on two more occasions. Fumbles by Logie on the SDU 26 in the second quarter and Courtice on the SDU 30 in the fourth quarter ended strong UNB drives.

Pete Harding pulled off the Bombers' big defensive play of the game. Intercepting a SDU pass on his own 5 yard line he ran 105 yards for a touchdown called back because of an unnecessary roughness penalty to UNB.

MacPherson

Logie

The Bomber offense, although missing out on several good scoring opportunities, kept the ball in St. Dunstan's territory most of the game. The defence was led by Harding and Kovich with interceptions, and Dave Tucker and George Richmond kept the SDU offence continually off balance and rarely allowed the Saints a chance to get rolling.

forth for the remainder of the half and the third quarter with neither team able to put together an extended drive to paydirt. The Bomber offence moved the ball well in mid-field continually forcing SDU to take over on their own side of the midfield stripe. Holding up their end, the defence forced SDU to resort to the two runs and a kick offence again and again.

The Bombers scored the second time they got the ball. Taking over on the Saints' 45 yard

the Bombers managed their

The 14-0 score was scarcely indicative of the calibre of the two teams. Only a combination of a tightened Saints' defense, fumbles, and a penalty kept the score from being two or three touchdowns higher than it actually was.

The Bombers took the opening kickoff of the second half and in 11 plays moved to the

## Soccer Ends on Winning Note

The UNB Soccer Red Shirts, paced by the three goal performance of veteran Bill Greenough, ended their '65 season on a winning note last Saturday by scoring a 5-1 victory over Kings College at College Field.

The Red Shirts started fast and held a 3-0 half time lead. Greenough scored first on a partial breakaway. Dan MacGahay kicked in a goal from a goal mouth scramble and Greenough scored again before the half.

In the second half, the Red Shirts continued from where they left off as Greenough and VanderValk scored before Kings notched their lone marker of the contest on a goal by center forward Ron Buckley.

The victory brought the Red Shirts' season record to 1-2-3.

## Redsticks Finish Third

The UNB Red Sticks finished in third place in Maritime Intercollegiate Field hockey this season. The team split their final two games of the season, losing to Dalhousie 1-0 and defeating Acadia by the same count.

At Dal, Heather McKinnon's goal in the first half provided the winning margin for the Tigerettes. The game was well played by both teams and could have gone either way.

On Saturday at Acadia, Mary Walker's first half marker and goalie Ellen Shapiro's fine performance enabled UNB to pick up the win. Walker scored her goal from a scramble, and Shapiro played a faultless game as she kicked out several Acadia drives to pick up the shutout.

The defending champion Red Sticks finished the season with five wins, two ties, and three losses. The Dalhousie Tigerettes are the league champions for 1965.

### SKATING

General skating sessions will be held at the following hours and will be free to UNB students upon presentation of their student pass:

Wed. Nov. 17th	10:00 to 11:30
Sat. Nov. 20th	10:00 to 11:30
Wed. Nov. 24th	10:00 to 11:30
Sat. Nov. 27th	10:00 to 11:30

2. City — 70 points
3. Second Floor — 40 points
4. Murray House and First Floor — 25 points
5. St. Thomas — 10 points

## Editor's Corner

Another football season has ended for the UNB Red Bombers. Perhaps it wasn't as successful as we would have liked but at least it did have its moments. We saw, among other things, a Bomber defense that had to be rated among the best, an exciting new quarterback in Houston MacPherson and a maturing of a number of second year boys who should provide a strong nucleus for next year.

Bombers ended the season on a winning note by dropping St. Dunstan's 14-0. As we said last week, this was to be expected although we felt the Bombers might have run up a larger score.

The St. Dunstan's shutout must have been especially sweet for Don Nelson's defensive crew. It was their first of the season and was well deserved.

### Next Year:

Again the time has come around for speculating about the future of college ball in the Maritimes.

This year St. FX was impressive although not quite the overpowering team of previous years. In fact, they may bow to St. Marys this weekend in the league finale but we feel that the X-men will probably be the team to beat again next year. This season they were young and lacked polish. A year should make quite a difference.

As to St. Marys, they are probably the best in the league this season. They have a good defense and a fine backfield headed by the league's leading scorer, Darryl Burgess. They should still be tough next year.

From here on the future picture gets pretty hazy. Acadia showed great improvement and next year will tell whether that was just a flash in the pan.

UNB relied on defense and if they can keep it and also if Coach Nelson can build an offence for QB MacPherson, they might be the dark horse of next season.

Dalhousie, St. Dunstan's and Mount Allison are a sorry lot. They showed little this year and we really can't expect them to show much more next year.

### SHORTS:

Notes from the St. Dunstan's game . . . the Bombers weren't the only winners on Saturday . . . reports are that one of the half dozen or so UNB fans in attendance won a razor in the program draw . . . Bombers who played in their last game were Jim Malnerich, Russ Radcliffe, Mark Jewett, Mike Ward, Dave Tucker, Noel Villard, Tom Pinckard, Bruce Parker and Ross Eddy.

Coach Don Nelson was quite happy with this year's effort . . . he told us that with the weaknesses on the offensive line that the coaching staff didn't really expect too much out of this year . . . both coaches Nelson and Smith are banking on an increase in Maritime talent for next year . . . they are travelling to Halifax today for the Halifax high school final . . . incidentally, one of the teams in the final is coached by former Bomber, John Wheelock.
