

# DSU profile

**Name:** Brad MacKay

**DSU Position:** President

**Hometown:** Huntsville Ontario  
(Shania Twain lived there too!)

**What Program are you in?**

Combined honours in International Development Studies and Political Science, with an emphasis on IDS.

**What is your course load?**

Three classes

**What is your job?**

Overall management of the D.S.U., I have a seat on both the Board of Governors and the

Senate, and I act as a spokesman for the D.S.U.

**Why did you run for the position?**

I was always heavily involved on campus...I saw it as an opportunity to get more involved...it makes the whole [university] experience more dynamic.

**Is the job what you expected?**

Yes and no. I expected to have a lot of challenges...but even if you were to do this job two or three years

you still wouldn't be able to expect everything. I didn't expect it to be such a growing experience...I've learned a lot about myself.

**What are your greatest accomplishments and disappointments so far?**

Some things have gone better than others, but I'd rather assess that at the end of the year, as some things are ongoing.

**Would you like a second term?** I'll tell you in May.

# IS WAL-MART COOL FOR SCHOOL?

**BESTAR**

When it comes to coolness, we'll let you draw your own conclusions. By using logic, however, it is possible to conclude:

- Wal-Mart has lots of stuff that you need and want. Lots of choices, and we always keep it in stock.
- Wal-Mart has great low prices. It doesn't take a math major to figure this one out!
- Wal-Mart is friendly. Our associates really like helping people find what they want. We want to make sure you are happy with your purchases.

Whether you are setting up an apartment, need a new computer or calculator or a CD player, we've got it. Check out the selection on this page. Then come in and see for yourself what it's like to shop at Wal-Mart.

Is Wal-Mart cool? Well, with all of the above in mind, we'd like to think we're sorta cool!
