Dear Mr. Meighen:

I enclose article on the Tariff, which I have just written for Financial Post, Montreal Gazette, etc. Don't know whether this will reach you or not, but shoot it along, nevertheless.

Those who hope for a distinct experiment on the Northern half the North American Continent may well pray for your success.

In my mind, you stand for distinctions, north and south of the forty-ninth parallel, as separate, and unmistakable as the Union Jack and the Stars and Stripes. More power to your strong right arm.

Ever yours,

Arthur Meighen

Right Honorable Arthur Meighen, P. C.
