

Ottawa, 25th May, 1909.

Sir,

Miss H. G. Russell,  
an employee of this Department in the in-  
side service, who has a younger brother  
dependent upon her for support, has applied  
to me with regard to obtaining a half-fare  
certificate for him on which to purchase a  
ticket over the Intercolonial from Montreal  
to St. John, N. B., and return.

If the regulations of your  
Department do not preclude the issue of such  
certificate, I shall be obliged by your for-  
warding same to me. I may say that the  
certificate would be required in time for  
her brother to leave for St. John to-morrow.

Your obedient servant,

Deputy Supt. General  
of Indian Affairs.

M. J. Butler, Esq., C. E.,  
Deputy Minister  
of Railways & Canals, Ottawa.
