

Q-813 You said four or five?

A-813 There may be some on the 30th of October - four or five, and some on the 15th and some on the 1st.

BY THE JUDGE ADVOCATE:

Q-814 How do you remember that Mrs. Brandon paid her bill, but don't remember anybody else?

A-814 Because I happened to be there at that time of the day.

Q-815 And she was the only one who paid her bill to you that day?

A-815 Yes; I was mostly up fixing up the ice house. I got turned out. My wife runs the place herself mostly.

Q-816 Who else did run an account in October?

A-816 A family by the name of Dennis.

Q-817 Do you remember them paying their account?

A-817 They don't pay right on the day.

Q-818 Do you remember them paying their account?

A-818 Yes, sir.

Q-819 Do you remember what they purchased when they paid their account? Is it Mrs. Dennis?

A-819 Yes, sir.

Q-820 When did she pay her account?

A-820 Either the 30th or the next day.

Q-821 Do you remember her paying it?

A-821 Yes, sir, but the woman was there----

Q-822 You say either the 30th or the next day?

A-822 Yes, sir.

Q-823 Would it be possible for you to be mistaken in Mrs. Brandon's case?

A-823 But it was the woman who done the writing.

Q-824 Now you say that Mrs. Dennis paid her account either what day or the next day?

A-824 Yes, sir.
