

PRACTICAL MAXIMS FOR GETTING ON IN THE WORLD.

1. Remember, there is always room at the top.
2. Do you know that all our prominent millionaires, all our prominent statesmen, jurists and philanthropists, forty years ago were poor boys?
3. This is a grand age with grand opportunities, and he who is willing to work with an honest purpose for honest results, will make life a success.
4. Shun lawsuits, and never take money risks that you can avoid.
5. Remember that the rich are generally plain, while rogues dress well and talk smoothly.
6. Avoid the tricks of trade; be honest, and never misrepresent an article that you desire to sell.
7. Don't cultivate a sense of over-smartness.
8. True intelligence is always modest.
9. Remember that trickery, cheating and indolence are never found as attributes of a thrifty and a progressive man.
10. Endeavor to be perfect in the calling in which you are engaged.
11. A man of honor respects his word as he does his note.
12. Always live within your income; never spend more than you earn, but always save a little, and in time you will be found independent.
13. The only safe rule is, never to allow a single year to pass by without laying up something for the future.
14. Keep your eyes on small expenses. Small leaks sink a great ship.
15. Do not be ashamed of hard work. Work for the best salary or wages you can get, but work for anything rather than to be idle.
16. A great many are looking for good salary and little work. Those jobs are rather scarce and only an idle man will look for them. They are never found.
